C2 Planned Renewal

Take control of medical stop loss premium costs.

Tokio Marine HCC – A&H Group is proud to be a preferred partner of C2 Solutions and its member firms. With our preferred partnership we are offering a product named the “C2 Planned Renewal”. This product is designed to be added to the current year’s specific premium rates and next year’s renewal terms are already locked in where the only renewal processing required is to finalize the aggregate factors, if applicable. We are excited to offer this product to C2 Solution’s member firms and look forward to being a preferred partner for stop loss for years to come.
