

# The Thatch Marketplace

The Thatch Marketplace is a curated ecosystem of high-impact health and wellness services that employees can access using their existing Thatch benefits balance.

## What Employees Can Access

### Therapy & mental wellness

(e.g. [Headspace](#))

### Diagnostics & early detection

(e.g. [Prenuvo](#))

### Fitness & wearables

(e.g. [Oura Ring](#), [Peloton via Truemed](#))

### Virtual primary care

(e.g. [Hims & Hers](#), [Sesame](#))

**Nutrition, sleep, fertility, and more**

## Why Employers Love It

### Tailored benefits

Employees get precisely what they need, from therapy and fitness memberships to telehealth, maximizing the impact of every benefit dollar.

### Trusted partners

All services are pre-approved, fully benefits-eligible, and tax compliant.

### Clear costs

Employees can see exactly what they're paying for and how much of their flexible healthcare balance remains.

### Effortless access

All services are pre-approved and fully benefits-eligible — so employees can spend confidently.

**“This isn’t just about saving money. It’s about delivering smarter, more flexible benefits that employees actually care about.”**

— [CEO, Conceiveabilities]

## Get started today

The Thatch Marketplace unlocks personalized health and wellness services—without increasing your benefits spend.
