

C2 Member Firms - A National Footprint

We're an industry leader in providing high-risk businesses with comprehensive solutions to prevent losses, manage claims and drive growth. Whether it's providing risk and insurance services to industries like construction and life sciences, or offering employee benefits solutions such as health programs and strategic advisory consulting, our focus is always the same; getting results for your business.

The Employee Benefits Division of Cross Insurance is composed of over 120 knowledgeable professionals throughout the Northeast. We are proud to be Maine's Largest Employee Benefits Provider. We've helped thousands of businesses throughout the Northeast provide benefits for their employees, and would be happy to work with your business.

We make employee benefits easy. We offer plans that are unique and custom-built for your needs. Ranging from plan design and compliance to employee engagement and the latest benefit delivery technology, our experienced benefit professionals engineer high-quality, low-cost solutions specific to your challenges. We also help employees get healthier, which in turn reduces cost for everyone.

M3 helps you manage risk, purchase insurance, and provide benefits to your employees. We partner with clients on everything from property & casualty and employee benefits to personal lines, executive benefits, and employer-sponsored retirement plans.

From our 160-year history to our service culture as a 100% employee-owned company, Scott Insurance is anything but typical. With the lens of a business partner, we desire to see our clients succeed – financially and culturally. Our team of talented and empowered professionals delivers strategic solutions which lead to a better our clients. experience and meaningful results for

At Sterling Seacrest Pritchard, we serve as your advisors first and insurance broker second. We have a highly skilled team ready to work with your business to position you to reach your goals. We believe in a customercentric, highly collaborative process that results in uniquely tailored insurance and consulting solutions.

Founded in 1981, TPG began as a small firm focused on employee benefits and individual insurance. Today, as one of the top 75 brokers in the US, we work across multiple divisions as an integrated team who sees your bigger picture and can strategize for growth. We work to ensure your benefits, insurance, and financial needs fit into your overall plan.
