C2 solutions

The national leader in driving *Collaborative Solutions* in employee benefits consulting.

C2 Member Firms: A National Footprint

The six firms that make up C2 Solutions are the best in their region. They bring local expertise that only comes from being located where their customers are and understanding their unique needs in that market.

Cross Insurance

Cross Insurance is proud to be Maine's Largest Employee Benefits Provider. We've helped thousands of businesses throughout the Northeast provide benefits for their employees, and would be happy to work with your business.

Holmes Murphy

Holmes Murphy makes employee benefits easy. Ranging from plan design and compliance to employee engagement and the latest benefit delivery technology, our experienced benefit professionals engineer high-quality, low-cost solutions specific to your challenges.

M3 Insurance

M3 helps you manage risk, purchase insurance, and provide benefits to your employees. We partner with clients on everything from property & casualty and employee benefits to personal lines, executive benefits, and employer-sponsored retirement plans.

The Partners Group

Founded in 1981, TPG began as a small firm focused on employee benefits and individual insurance. Today, as one of the top 75 brokers in the US, we work across multiple divisions as an integrated team who sees your bigger picture and can strategize for growth.

Scott

From our 160-year history to our service culture as a 100% employee-owned company, Scott Insurance is anything but typical. With the lens of a business partner, we desire to see our clients succeed – financially and culturally.

Sterling Seacrest Pritchard

At Sterling Seacrest Pritchard, we serve as your advisors first and insurance broker second. We have a highly skilled team ready to work with your business to position you to reach your goals. We believe in a highly collaborative process that results in uniquely tailored insurance and consulting solutions.
