4. A participant is considered to be “operating” in a given country if registered or incorporated there and/or conducting regular business activities (e.g. owning or leasing vehicles, performing transactions).

III. Campaign Conditions

1. **Discount:** A Customer who fulfils the Campaign conditions set out in this Article shall receive a discount of EUR 0.01 (one euro cent) for each litre of fuel purchased using ONE Cards during the Qualification Period (hereinafter referred to as the “Discount”).
2. **Activation:** The Customer must activate the ONE Card and make their first fuel purchase using this card no later than 31 December 2026 (inclusive).
3. **Qualification Threshold:** During the period from 1 January 2027 to 31 March 2027 (inclusive) (hereinafter referred to as the “Qualification Period”), the Customer must purchase a total of at least 10,000 litres of fuel using ONE Cards.
4. Once the threshold of 10,000 litres has been reached during the Qualification Period, the discount of EUR 0.01 per litre shall apply to all litres of fuel purchased during the Qualification Period, including

the first 10,000 litres. If the Customer fails to reach the threshold of 10,000 litres during the Qualification Period, the Customer shall not be entitled to the Discount.

5. The ONE Cards used for fuel purchases counted towards the threshold must remain active throughout the Qualification Period (i.e. they must not be cancelled, suspended or blocked).
6. The maximum Discount payable to any one Customer is capped at EUR 5,000. The more fuel the Customer purchases during the Qualification Period, the higher the Discount granted, up to the maximum Discount amount.
7. The Discount may be combined with other discounts granted to the Customer, to the extent permitted by EUROWAG's actual margin on the fuel concerned.

IV. Campaign Duration

1. **Duration:** The Campaign shall run from 19 November 2026 to 31 March 2027.
2. The Campaign consists of the following periods:
   - **Activation Period:** from 19 November 2026 to 31 December 2026, during which the ONE Card must be activated and the first fuel purchase using the card must be made;
   - **Qualification Period:** from 1 January 2027 to 31 March 2027, during which the volume of fuel purchased shall be calculated.
3. Only fuel purchases made during the Qualification Period shall count towards the 10,000-litre threshold and the calculation of the Discount. Fuel purchases made before 1 January 2027 (including purchases made during the Activation Period) shall not be counted.

V. Granting of the Discount

1. **Method of Granting:** The Discount shall be granted to the Customer retroactively in the form of a credit note issued by EUROWAG after the end of the Qualification Period.
2. The Discount shall only be granted in the form specified in paragraph 1 of this Article and cannot be exchanged for cash or paid out by any other means.
3. The Customer acknowledges and agrees that, upon granting the Discount in the manner described above, the Customer's entitlement to the Discount shall be deemed fully settled, and the Customer shall not be entitled to any further payment or compensation.
4. The Customer is obliged to comply with all tax obligations applicable in the country in which the Customer is registered for tax purposes. EUROWAG shall not be liable for the Customer's compliance with tax regulations.

VI. Timing of the Granting of the Discount

1. Credit notes shall be issued to eligible Customers in the month following the end of the Qualification Period (expected in April 2027), subject to the Customer's invoicing arrangements.
2. The Discount shall only be granted if all conditions set out in these Terms and Conditions are met, the Customer is not listed in EUROWAG's internal risk database, has no outstanding liabilities towards EUROWAG, and their commercial agreement with EUROWAG has not been terminated.
3. For the avoidance of doubt, WAG provides the following examples:
   - **Customer A** activates the ONE Card and makes their first fuel purchase on 18 December 2026. Between 1 January and 31 March 2027, the Customer purchases a total of 12,000 litres of fuel. The requirement is met, and the Discount applies to all 12,000 litres, i.e. 12,000 × EUR 0.01 = EUR 120. EUROWAG shall issue a credit note for EUR 120 in the month following the end of the Qualification Period (expected in April 2027).
   - **Customer B** activates the ONE Card and makes their first fuel purchase on 20 December 2026. During the Qualification Period, the Customer purchases a total of 9,500 litres of fuel. The 10,000-litre threshold has not been reached; therefore, no Discount shall be granted.
   - **Customer C** activates the ONE Card and makes their first fuel purchase only on 5 January 2027. The requirement to activate the card and make the first fuel purchase by 31 December 2026 has

not been met; therefore, the Customer is not entitled to the Discount, regardless of the volume of fuel purchased.

4. In the event of suspected abuse of the Campaign, EUROWAG reserves the right to inspect and verify fuel purchases and the number of active cards.
