## SUMMARY

A highly skilled and creative graphic designer with over three years of cutting-edge industry experience. I am proficient in utilizing industry-leading design softwares and techniques. I possess a keen eye for detail and a deep understanding of design principles. My expertise includes branding, logo design, layout creation, and typography and effective communication. Collaborative and adaptable, I excel in fast-paced environments. I adapt to any tool and bring out the highest output technology can offer by bridging traditional design principles with cutting-edge automation tools such as Generative AI, Gemini and Higgsfield.

## WORK EXPERIENCE

### GRAPHIC DESIGNER , NGEN COMMUNICATIONS | JULY 2023 - PRESENT

**Founded in 2005, NGEN is a highly creative agency in the Real Estate industry, servicing clients and developing ingenious marketing campaigns for them.**

- Worked in an extremely fast paced agency juggling multiple projects and clients simultaneously.
- Catered to high-end clients such as, Countrywide Homes, Woodbine Entertainment, Midea, Brookfield, Orchard Point, Regal Crest, Townwood Homes, and Condor Properties.
- Developed entire brands from scratch - from Logos to Brand Style-Guides, PPC Display Ads, Marketing Campaigns, and even Website designing.
- Produced production assets for clients - such as A-Frames, Pull-up banners and Billboards, digital and print brochures and community catalogues.
- Prepared and pitched presentations to and for clients, communicating ideas and campaigns.
- Managed multiple Social Media accounts for clients and provided with time and cost estimates for each month while strictly adhering to the estimates ensuring benefit to both client and the company.
- Provided Motion creatives such as animated stories, reels and creative carousels to clients.

## **BILDHIVE | IN HOUSE SALES & MARKETING SOLUTION (NGEN VERTICAL)**

- Bildhive is an In-house marketing solution that NGEN provided to real estate clients to manage their home listings, Closing contracts, CMS etc.
- Designed and Built Eblasts, Marketing Automation campaigns, Data management deliverables.
- Setup Site plans with over 200 lots, each housing corresponding informations such as Pricing, square footage, exterior finishes, architectural rules, relevant models that can be built on each lots etc.
- Cut thousands of floor-plan images with relevant floor-plan packages to provide customers with all the information they'd require to purchase a house.
- Worked closely with programmers to analyze and improve Bildhive by providing painpoints and proposed features to improve its functionality

## **MULTIMEDIA DESIGNER, FUNNGAGE PVT LTD | MARCH 2019 - JUNE 2019**

**Funnage, is a curated and integrated sports platform. Conceived, Researched, and Developed in India with the purpose of Digitizing Sports with Technology.**

- Worked on website development and mobile application's UI/UX for the organization.
- Managed social media for their startup.
- Worked closely with project managers to generate concepts through brainstorming and collaboration.
- Created visually compelling designs - posters, brochures, newsletters, and motion graphics using Adobe suite.
- Prepared presentations for their corporate pitches.

## **INTERNSHIP IN SALES & MARKETING, AMAR UJALA | NOVEMBER 2018 - JANUARY 2019**

**Founded in 1948, Amar Ujala is one of India's leading Hindi newspapers with 22 editions in 179 districts in 6 states and 2 union territories. With a total daily readership of 47 million, making it one of the most widely read broadsheet newspapers in the country.**

- Conducted research to identify market opportunities, trends and challenges for clients on relevant campaigns, initiatives and Government Tenders.
- Developed data and spreadsheets for potential customers, understanding market needs and providing appropriate editorials space and page for maximum exposure.
- Social Media Management - worked closely with the operations team to provide for their social media campaigns on their various social media platforms. Also provided copy for blogs and descriptions for their Digital App launch.
