30 Days Mobility Scooter & Powered Chair Insurance Policy

Edition date: November 2026 - V1

Thank you for choosing the ETA – and if you're a first-time customer, then a very warm welcome to you.

At over 35 years of age, we've been around longer than many of our competitors, and, as you may have noticed already, we like to stand out from the crowd.

A dry and stuffy insurance company we are not. As a novel way to celebrate our award- winning breakdown cover, we built a Guinness World Record-winning tiny caravan that's towed by a mobility scooter. When The Good Shopping Guide compares us to household-name insurers every year, we routinely come out as the UK's most ethical provider.

Our number one priority, however, is to provide you with the efficient and friendly service for which we are known. The reassurance of our round-the-clock operation and helpful advisers means that once customers find us, they often choose to stay with us for many years.

We have earned this reputation the old-fashioned way - by word-of-mouth recommendations - so please don't hesitate to contact us with any questions or feedback.

Thank you once again for choosing us. We're here if you need us.
