Attendance Ladder

Good attendance is essential for your child's learning and progress. Every school day counts, and being in school regularly helps children build confidence, develop friendships, and keep up with their learning.

If your child is unwell and unable to attend, please inform the school office as soon as possible. If you are planning a holiday during term time, please be aware that these absences are generally not authorised.

We do not issue fines for unauthorised absences. Fixed penalty notices are issued in accordance with government regulations by the local authority, not by the school.

At Manadon Vale Primary School...

- ▶ We encourage children to read **at least** 3 times a week at home.
- ▶ Children bring home books that are at or around their reading level.
- ▶ However...
 - Encourage them to not only read the books we send home but to read everywhere they go; signs, labels, menus
 - Reading shouldn't just be restricted to the books we send home. Recipe books, websites, audio books - even the back of the cereal packet in the morning over breakfast!
 - Children should be encouraged to read a variety of both fiction and non-fiction materials.
 - Children should also be read to by younger or older siblings as well as parents/carers.
- ▶ Please record their reading at home in their reading record.

The MORE
that you read,
the MORE things
you will know.
The MORE that you
Learn,
the MORE places you'll go.

A child who is never read to at home will have heard only 4,662 words by the time they are 5 years old.

If they are read to:
