

Expression of Interest

TESC is seeking experienced professionals to join our talent pool for upcoming opportunities across a variety of industrial construction projects. This is an Expression of Interest for professionals who are passionate about working on and leading complex projects, and delivering exceptional results in safety, quality, schedule, and cost performance.

Successful candidates must be willing to travel to project sites, including out of province, and work on a variety of rotations and schedules based on operational requirements.

Opportunities Available

- Senior Project Managers
- Project Managers
- Project Coordinators
- Quality Coordinators
- Material Coordinators
- Logistics Coordinators
- Cost Control Analysts
- Administrative Assistants, Project Controls
- Health and Safety Coordinators

Individual standard pay is determined based on several factors including education, experience, unique skills, specialized training and certifications. When applicable, a job-specific allowance may be paid in addition to the standard hourly rate to reflect particular assignment requirements, including site conditions, location, or the complexity and scope of the work. Any applicable allowance will be identified separately in the offer.

TESC is an equal opportunity employer. In accordance with the Accessibility for Ontarians with Disabilities Act, accommodation is available throughout our recruitment process for applicants with disabilities.
