Welcome to the knowledge center for personalized medicine! Our platform is a centralized hub for pharmaceutical compounding courses, medical scientific training, and more.

Course contents

Discover the Power of Nutrigenetics

Explore the groundbreaking field of personalized nutrition in this engaging webinar, led by two renowned experts in the field: Sascha Landskron, MSc, BSc, RD, and Laura Vila Vecilla, Ph.D. This course dives deep into how NutriGen provides tailored solutions for a range of health concerns, including weight management, digestive health, energy optimization, and recovery. Sascha Landskron, with over 20 years of clinical experience, will guide you through the powerful integration of genetic insights into nutrition, revealing how personalized approaches can transform health outcomes. Alongside her, Dr. Laura Vila Vecilla will share her expertise in genomics, explaining how genetics is shaping the future of healthcare and precision nutrition. Together, they will provide you with a comprehensive understanding of how NutriGen is revolutionizing the way we approach health and wellness.
