Product Highlights

TrichoSol is a highly spreadable hydrophilic solution containing mineral salts of vegetable origin. It is free from alcohol and propylene glycol. TrichoSol has proven to be an ideal and stable vehicle for application of Minoxidil base up to 7%. TrichoSol features patented TrichoTech technology to maximize prescription results by the physiological improvement of the cellular environment.

- Delicate hydrophilic solution
- Gentle to the scalp, not causing the typical dehydration commonly seen with hydroalcoholic lotions
- Compatible with hydrosoluble and liposoluble actives

Ingredients

Aqua, Lactic Acid, Polysorbate 80, Lavandula Officinalis Water, Parfum, Phenoxyethanol, Rosmarinus Officinalis Leaf Oil, Ethylhexylglycerin, BHT, Juniperus Communis Fruit Oil, Juniperus Virginiana Wood Oil, Amyris Balsamifera Bark Oil, Lavandula Angustifolia Herb Oil, Melaleuca Alternifolia Leaf Oil, Eucalyptus Globulus Leaf Oil
