Surviving Inspections, Surveys and Audits - Part I (1hr CE)

In this two-part CE accredited class, learn what to expect from a typical inspection by various regulatory and accrediting bodies, how to prepare for inspections in advance, and review important tips to ensure these inspections go smoothly. Compounding pharmacies that are prepared in advance for inspections will not only perform better during them but will also benefit from compliance with a number of the criteria commonly covered by inspections. This presentation can help to set your pharmacy up for success during future inspections.
