Applications

Suspensions

Pediatrics

Geriatrics

Product Highlights

Flavor Sweet is a cherry-flavored syrup. It may be used alone or in conjunction with other agents to give flavor and sweetness while increasing the suspension's physical stability. Flavor Sweet contains suitable preservatives and is buffered to a slightly acidic pH to provide a dependable and consistent vehicle.

- Compatible with hydrophilic, acid stable and some hydrophobic actives
- Clear to cloudy liquid with pleasant cherry almond odor

Ingredients

Sucrose, purified water, glycerin, sorbitol, artificial flavorings, citric acid, sodium citrate, methylparaben, potassium sorbate

Specifications
