

TRICHOCREAM™

Natural Hydrophilic Gel Cream

TrichoCream™ is a natural hydrophilic gel cream based on refined olive oil and shea butter, formulated for eyelashes, eyebrows, and beards. Enhanced with natural emulsifiers rich in triglycerides, it delivers antioxidant and emollient properties in a non-greasy, moisture-rich vehicle with adequate viscosity for local use. Featuring patented TrichoTech™ technology, it maximizes prescription results through physiological improvement of the cellular environment.

HIGHLIGHTS

- **Natural Emulsifier System** — Formulated with natural emulsifiers containing high concentrations of triglycerides of linoleic and oleic acids for a gentle, effective base.
- **Non-Greasy Local Application** — Delivers adequate viscosity for targeted, local use without a heavy or oily after-feel.
- **Olive Oil & Shea Butter Foundation** — Built on refined olive oil and shea butter, providing natural emollient and conditioning benefits.
- **TrichoTech™-Powered Delivery** — Leverages patented TrichoTech™ technology to enhance the physiological environment for improved prescription outcomes.

SAMPLE FORMULAS

FA-24099 – Finasteride 0.25% Cream (TrichoCream™)
FA-22775 – Minoxidil 5% - Caffeine 1% - Azelaic Acid 1.5% Cream (TrichoCream™)
FA-22929 – Latanoprost 0.1% Cream (TrichoCream)
FA-22681 – Betamethasone 0.1% - Melatonin 0.1% Cream (TrichoCream™)

Purpose-Built for Delicate Areas

Ideal for use on eyelashes, eyebrows, and beards.

Natural Antioxidant Protection

Contains tocopherol, an antioxidant that helps protect active pharmaceutical ingredients.

Lightweight & Moisture-Rich

A non-greasy, lightweight formula that delivers rich hydration without heaviness.
