

TRICHOIL™

100% Natural Lipid Vehicle

TrichoOil™ is a 100% natural lipid vehicle activated by TrichoTech™, an intelligent phytocomplex that acts on the entire hair system. It solubilizes liposoluble actives and delivers them to the BSS (Bulb, Scalp, and Shaft) hair system through the lipid layer, aiding fatty acid replenishment. Rich in essential fatty acids, it promotes restoration and hydration of both the scalp and shaft.
