

TRICHOWASH™

Non-Irritating Shampoo Vehicle

TrichoWash™ is a shampoo formulated with non-irritating ingredients that cleans without destroying fatty acids. It promotes lasting hydration, softness, and flexibility to the hair while delivering antioxidant action that favors the delivery of active ingredients. Designed for use alongside TrichoOil™ and TrichoCond™, it's part of a complete TrichoConcept™ hair care regimen.

HIGHLIGHTS

- **Protects Against Visible Aging** — Helps guard against visible signs of aging hair.
- **Supports Fiber Repair** — Replaces amino acids and proteins to help favor fiber repair.
- **Detoxifies & Purifies the Scalp** — Detoxifies, hydrates, and purifies the scalp with every wash.
- **Designed for Regimen Use** — Formulated to work in combination with TrichoOil™ and TrichoCond™ for enhanced gloss and hydration.
- **Preserves Natural Fatty Acids** — Cleans effectively without stripping away the hair's natural fatty acids.
