* Empty 200 l drums for collecting light bulbs can be collected from the waste centre. Please contact the waste centre's operations manager tel. no. 044 380 8991.

** There is no separate collection of cardboard in Isojoki and Karijoki, cardboard is placed in the combustible waste and is charged at the combustible waste rate (22 €/m³).

*** Collection during snow-free periods. In Teuva, brushwood and garden waste is collected at the waste centre.

The collection fee at the recycling stations is paid either by payment card on location or by invoice.

If the total amount to be invoiced is less than €40 (VAT 0%), a surcharge of €4 (+VAT) will be added to the invoice.

From 1.1.2025, a paper surcharge of €5.02 (incl. VAT 25.5%)/invoice will be added to paper invoices. E-invoices, e-mail invoices and direct debit agreements without paper surcharge.
