

SORTING AND PACKING GROCERIES

 **Warehouse Opportunity**

CITY TEAM
in the
Neighborhood

WHY DO WE NEED TO SORT AND PACK GROCERIES?

CityTeam receives generous amounts of food from our neighborhood partners and donors. We seek motivated volunteers to help us prepare the food for distribution at our CityTeam in the Neighborhood mobile pantries.

WHAT IS THE ULTIMATE GOAL?

We want to efficiently feed our community by providing well-balanced, healthy groceries so no family goes hungry. In order to do this, we must supply enough properly packaged boxes/bags to meet the demand in our local low-income neighborhoods.

WHAT IS REQUIRED OF VOLUNTEERS?

- Volunteers must be able to lift 10-25 pounds.
- Please dress modestly and comfortably with long pants and closed-toe shoes.
- Please do not bring valuables. We do not have a secure place for volunteers to leave belongings.
- Children must be 8+ to volunteer with their parent and both parent & child need to be registered individually.

WANT TO SUPPORT?
