

MOBILE PANTRY GROCERY DISTRIBUTION

WHAT IS MOBILE PANTRY GROCERY DISTRIBUTION?

CityTeam's mobile pantries bring fresh groceries into neighborhoods who are in need of support. Our trucks bring proteins, dairy, fresh produce, and dry goods from our warehouse into communities at a convenient and accessible location. CityTeam's pantries have 3 distribution models: Drive-Up pantries, Walk-Up pantries, and Door-to-Door delivery.

WHAT IS THE ULTIMATE GOAL?

We want to relieve the financial burden of groceries for families struggling to make ends meet. We bring food directly into neighborhoods so families without transportation can access this essential service. Guests are provided with the opportunity to engage with staff and pursue CityTeam's other pathways towards financial mobility. Our neighbors should leave our mobile pantries with more than just groceries; they should leave with a sense of community.

WHAT DOES VOLUNTEERING LOOK LIKE?

- Using dollies and rolling carts to transport food
- Setting up pantry structure including tables and canopies
- Engaging with our neighbors respectfully and joyfully
- Assist guests with loading grocery carts or vehicles

WHAT IS REQUIRED OF VOLUNTEERS?

- Please dress modestly, comfortably, and wear closed-toe shoes.
- Gloves must be worn when handling raw foods.
- Please do not bring valuables. We cannot guarantee a secure place for volunteers to leave belongings.
- Children must be 10+ to volunteer at walk-up distributions with their parents. Both parent & child need to be registered.
- All volunteers must be 14+ at the drive-thru food distributions.

WANT TO SUPPORT AT A PANTRY?

- If you would like to bring a group, please email sanjosevolunteer@cityteam.org.
- CityTeam does not accept court ordered volunteers at this time.
