WHAT IS FACILITY UPKEEP & BEAUTIFICATION?

CityTeam is blessed to own multiple properties where life change happens every day. Our facilities are well used, which means there are always opportunities to repair, maintain, and enhance our spaces. Groups who are interested in getting involved may be asked to provide help in a variety of ways depending on the need at the time. Volunteers might complete tasks such as painting, gardening, landscaping, building, or other special projects.

Have an idea for a project you want to pitch? Reach out! We're happy to discuss opportunities based on your group's skills and talents. If you're interested in completing whatever project is most needed at the time, we will assign one to you and provide all the details.

WHAT IS THE ULTIMATE GOAL?

Keeping our spaces clean, functional, and beautiful makes our residents feel at home and our guests feel welcomed. We want our community to have a dignifying experience when they join us on-site. Our hope is that our well-maintained property makes our unhoused guests and new residents feel comfortable, loved, and full of self-worth.

WHAT IS REQUIRED OF VOLUNTEER GROUPS?

- Volunteers must be 14 years or older.
- Must wear clothing appropriate for the assigned project. Closed-toe shoes and modest attire required.
- All individuals in a group must sign up on the Volunteer Hub link provided to your group.
