

## RETREAT LIABILITY WAIVER

I have read and will abide by the Marriage in Focus cancellation policy and conditions of application for attendance at Marriage in Focus retreats and events (the "Event"). Marriage in Focus does not have staff or facilities to properly care for individuals who have medical, social, behavioral, or psychological disorders. Accordingly, we reserve the right to refuse enrollment to any applicant, or send home any guest, whose condition is, in our judgment, beyond our capability to provide proper care, or who, in our judgment, poses an unreasonable threat to the health or safety of other guests or staff, or who otherwise, in our judgment, poses a risk of unreasonable disruption to the Event. No refunds will be made for dismissals or withdrawals during Event sessions. Marriage in Focus is not responsible for any costs the guest incurs as a result of refused enrollment or being sent home early. Marriage in Focus is not responsible for items lost or stolen while attending an Event.

I understand that pictures and videos are taken during the Event, and I hereby give permission for the use of such pictures and videos for the promotion of Marriage in Focus.

I understand that the location of any Event may not be near a hospital or emergency medical care facility and that Marriage in Focus staff are not trained to provide medical assistance.

I hereby waive, discharge, acquit and covenant to defend, indemnify and hold harmless Marriage in Focus and all its agents, employees, officers, and board members, and their respective successors and assigns from any and all claims, demands, and or liabilities, incurred by me or my spouse, on account of any injuries, losses, and/or damages to me or my spouse and/or property that have or may be caused or may at any time arise by reason of my participation or my spouse's participation in the Event; the intent being to completely, absolutely, and finally release Marriage in Focus and all its agents, employees, officers and board members, and their respective successors and assigns from any and all liability arising wholly or partially from the operation of any of Event.

I realize and do hereby acknowledge the possible dangers inherent in Marriage in Focus programs that may involve outdoor activity and will strive to conduct myself in a safe manner. I assume responsibility for my own behavior and also will hold no other person, group or organization responsible in any way for any injury or harm not maliciously caused.
