WHEREAS, the Housing Authority of Travis County, Texas (the "Authority"), has, pursuant to the Texas Public Facility Corporations Act, Chapter 303, Texas Local Government Code, as amended (the "Act"), approved and created Travis County Facilities Corporation, a nonstock, nonprofit public facility corporation (the "Issuer");

WHEREAS, the Corporation, on behalf of the Authority, is empowered to finance the costs of public facilities that will provide decent, safe, and sanitary housing at affordable prices for residents of Travis County, Texas (the "County");

WHEREAS, Belmont Apartments, Ltd. (the "User"), has requested that the Corporation finance the acquisition, construction, and equipping of approximately 348 units of multifamily residential housing to be a mixture of one-, two-, three- and four- bedroom units which will be operated as a multi-family housing project to be located at approximately 4401 East Slaughter Lane and to be known as the Belmont Apartments (the "Project"); and (ii) the Issuer file and/or refile a 2026 and/or 2027 Allocation Application (defined hereafter) and/or any carryforward applications to the Texas Bond Review Board as described herein;

WHEREAS, the User has advised the Issuer that a contributing factor that would further induce the User to proceed with providing for the acquisition, construction, equipping, and improvement of the Project would be a commitment and agreement by the Board of Directors (the "Board") of the Issuer to issue housing revenue bonds pursuant to the Act (the "Bonds") to finance and pay any Development Costs, as defined in the Act, for the Project;

WHEREAS, in view of rising construction costs and the necessity of compliance with administrative regulations, it is considered essential that acquisition, construction, equipping, and improvement of the Project be completed at the earliest practicable date after satisfactory preliminary assurances from the Issuer that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the Development Costs of the Project, will be made available to finance the Project;

WHEREAS, this Resolution shall constitute the Issuer's commitment, subject to the terms hereof, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User now contemplated not to exceed \$60,000,000 and to expend the proceeds thereof to pay Development Costs including costs of acquisition, construction, equipping, and improvement of the Project, funding a debt service or other reserve fund for the Project, and paying expenses and costs in connection with the issuance of the Bonds, including costs of obtaining credit enhancement, if any;

WHEREAS, the Bonds are "private activity bonds" as that term is defined in Subchapter A, Section 1372.001 of Chapter 1372, Texas Government Code, as amended, including the rules promulgated pursuant thereto in 34 Texas Administrative Code, Sections 190.1 through 190.8

(together, the “Allocation Act”), and various provisions of the Internal Revenue Code of 1986, as amended (the “Code”);

WHEREAS, the Code requires that the applicable elected official of the County approve the issuance of the Bonds after a public hearing for which reasonable public notice shall have been given;

WHEREAS, the Issuer is authorized by the provisions of the Act to issue the Bonds;

WHEREAS, in order to issue the Bonds in the manner contemplated, the Issuer must seek an allocation of the State of Texas volume cap pertaining to private activity bonds in order to satisfy the provisions of the Code;

WHEREAS, in order to satisfy, in part, the provisions of the Allocation Act, the Issuer must submit an “Application for Allocation of Private Activity Bonds” or an “Application for Carryforward for Private Activity Bonds” (together, the “Allocation Application”) to the Texas Bond Review Board and adopt this Resolution authorizing the filing or refiling of the Allocation Application;

WHEREAS, the Allocation Application and the Allocation Act require that the Issuer certify that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer;

WHEREAS, the User intends to make capital expenditures in connection with the acquisition, construction, equipping, and improvement of the Project (the “Expenditures”) and expects to reimburse the Expenditures with proceeds of the Bonds;

WHEREAS, in order to allocate under Treasury Regulation §1.150-2 (the “Regulation”) proceeds of the Bonds to the Expenditures, the Issuer must declare its reasonable expectation to reimburse the Expenditures;

WHEREAS, the Corporation may acquire the membership interest in the general partner of the User;

WHEREAS, the User has requested authorization to make all filings necessary to obtain and maintain debt financing and tax credits on the Project; and

WHEREAS, the Board has determined that it is in the public interest and to the benefit of the citizens and residents of the County for the various entities to enter into the transactions described above so that the User may construct the Project; now, therefore,

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE TRAVIS COUNTY FACILITIES CORPORATION THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

(a) Subject to the negotiation of mutually acceptable agreements, issue the Bonds, in an amount not to exceed \$60,000,000;

(b) cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, take such action and authorize the execution of such documents and take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary and desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "Contracts"), providing among other things for payment of the principal of, interest on, redemption premiums on, and paying agents' and trustee's fees and charges, if any, on the Bonds; payment of fees, charges, and expenses of the Issuer and the Authority (including legal and financial advisory expenses); acquisition, construction, equipping, and improvement of the Project; and use, operation, and maintenance of the Project (and the execution of any necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be satisfactory to the Issuer, the Authority, and the User;

(c) if the proceeds from the sale of the Bonds are insufficient to complete the acquisition, construction, equipping, and improvement of the Project, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition, construction, equipping, and improvement of the Project, as requested by the User and within then applicable limitations; and

(d) take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

Section 2. The Bonds shall specifically provide that neither the State of Texas (the "State"), the Authority, nor any political issuer, subdivision, or agency of the State shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State, the Authority, the County or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

Section 3. It is understood by the Issuer, and the User has represented to the Issuer, that in consideration of the Issuer's adoption of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that

(a) Prior to or contemporaneously with the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself, on a nonrecourse basis, to pay to the Issuer (or to a trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums on, paying agents' and trustee's fees and charges, if any, on the Bonds, as and when the same become due and payable, with such Contracts to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User;

(b) the User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times from and after the issuance of the Bonds, indemnify and hold harmless the Issuer and the Authority against all losses,

costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, equipping, installation, operation, use, occupancy, maintenance, or ownership of the Project (other than claims arising from the gross negligence or willful misconduct of the Issuer or the Authority) and prior to or contemporaneously with the sale of the Bonds will agree to provide indemnification on terms satisfactory to the Issuer; and

- (c) no Bonds will be issued without the approval of the Authority.

Section 4. The User is hereby authorized to make all filings necessary to obtain and maintain tax credits on the Project.

Section 5. Except as expressly extended by the Issuer, it is understood by the Issuer and the User that all commitments of the Issuer with respect to the Project and the Bonds are subject to the condition that the Bonds shall have been issued no later than two years from the date of this Resolution.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any "related person" as defined in section 144(a)(3) of the Code; (iii) any legal successor thereto; (iv) an entity in which any of the above is a general partner or sole member; or (v) or any entity approved by the Issuer, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references herein to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution shall be deemed to constitute the acceptance of the User's proposal that it be further induced to proceed with providing the Project. The Allocation Application and this Resolution shall constitute an agreement between the Issuer and the User effective on the date that this Resolution is adopted. This Resolution is affirmative official action taken by the Issuer towards the issuance of the Bonds in order to comply with the requirements of the Code. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to issue bonds or loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor anyone claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 8. The Issuer hereby adopts this Resolution in order to satisfy the requirements of the Allocation Act pertaining to the issuance of the Bonds and authorizes any officer or designee of the Issuer to prepare and file and/or refile a 2026 and/or 2027 Allocation Application and/or any carryforward applications, together with all required attachments (including obtaining the Issuer's Certificate of Good Standing from the Comptroller of Public Accounts for the State of Texas) in the form required by the Texas Bond Review Board.

Section 9. The Issuer respectfully requests that the Allocation Application be accepted and approved by the Texas Bond Review Board.

Section 10. Any officer of the Issuer (or his designee) is hereby authorized to execute the Allocation Application, to pay (or cause the User to pay) the Application Fee of \$5,000 for each Allocation Application (submitted to the Issuer by the User) to the Texas Bond Review Board and to submit any additional information or to make any necessary corrections or revisions requested by the Texas Bond Review Board in order to satisfy the requirements of the Allocation Act in connection with the Allocation Application.

Section 11. The Board certifies that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer.

Section 12. In connection with the issuance of the Bonds, the Board hereby authorizes its bond counsel to arrange for the publication of a notice of public hearing in Travis County, Texas, regarding the Bonds for the purpose of complying with section 147(f) of the Code. The form of notice of such hearing and the date, place, and manner of its publication shall be acceptable to the Corporation's bond counsel. The hearing shall be held by the Corporation's bond counsel.

Section 13. Based upon representations from the User, the Issuer reasonably expects to reimburse the Expenditures with proceeds of the Bonds in a principal amount that will not exceed \$60,000,000. This Resolution shall constitute a declaration of official intent under the Treasury Regulation Section 1.150-2.

Section 14. The Board authorizes the President, Vice President, Secretary, Treasurer, Assistant Secretary or Executive Director of the Board to execute any documents or certificates necessary to seek the approval of the Bonds by the Texas Attorney General.

Section 15. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the Board.

Section 16. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 17. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Resolution would have been enacted without such invalid provision.

Section 18. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 19. This Resolution shall be in force and effect from and after its passage.
