

# Introduction to VINView

REAL-TIME ALERTS AND INSIGHTS ON NEW VEHICLE DELIVERIES

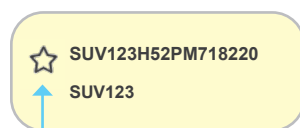

## Welcome to VINView.

Right away, you'll see that the VINView home page looks more like Facebook than business software!

**Finished Vehicle VIN's** tells us our dealership has 127 Active VIN's (which means all Orders or VIN's assigned to your dealership, or VIN's scheduled to be produced, ready to ship or on their way) 31 New Active VIN's (new Orders/VINs assigned to your dealership in the past 48 hours) and 151 Delivered VIN's (delivered to our dealership in the last 30 days.)

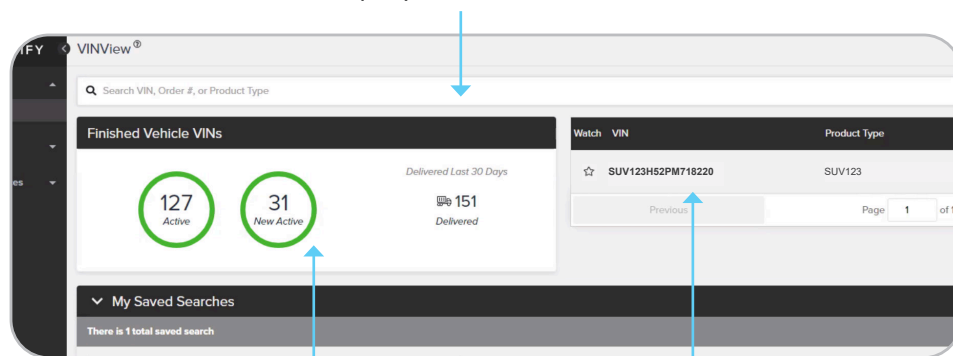

You can select either number to retrieve the list of VINs.

You can check the "Watch" star

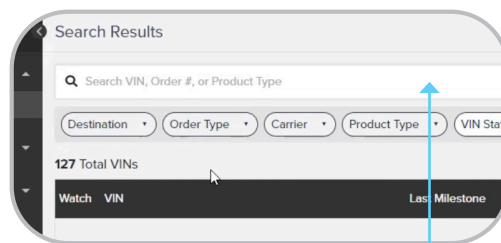

This will save it to your **VINView home page** where you can see updates any time!

Across the top, you'll see the **search bar**...

...along with **Finished Vehicle VIN's**

...and your list of "watched VIN's"

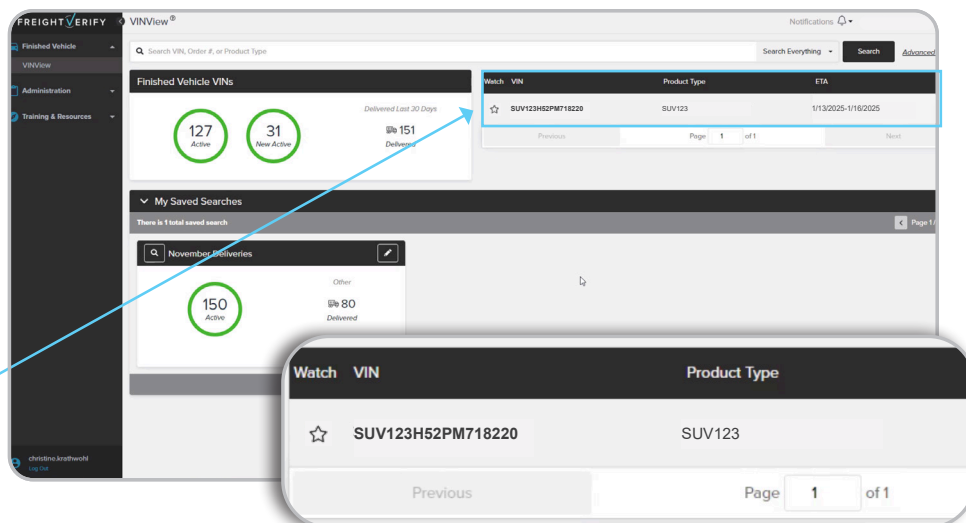

Or you can go to the **Search Bar**

Enter the VIN - or at least, the last 8 digits of the VIN - and VINView will deliver your search results.

This particular VIN is coming from Assembly Plant and will be delivered to Dealer in **Irvine, CA** between **January 13-16, 2025**.
