**Get accurate delivery dates and real-time alerts
to manage inventory, reduce loaner expenses
and deliver an exceptional service experience.**

When services staff and parts managers order aftermarket parts and don't know when the deliveries will arrive, they're left in the dark...which leads to increased loaner expense and unhappy customers.

Introducing PartView, real-time updates and insights on aftermarket parts. PartView provides order-level visibility and auto-generated "intelligent ETA's" from the supplier or point of order, along with proactive notifications on short, backorder or damaged shipments.

PART SEARCH ENGINE

Type in your Order or Package Number to a Google-like search engine and quickly learn service parts package's location.

INTERACTIVE MAPS

See your packages on an interactive map featuring your destination, and local landmarks.

RELIABLE ETA'S

Manage your incoming parts (and loaners) with ETA's you can count on!

EMAIL NOTIFICATIONS

Stay informed with email notifications when your service package is en route to the dealership.

TEXT ALERTS

Track your package's progress every step of the way with Text Message (SMS) alerts to your smartphone.

REDUCE LOANER EXPENSE

Plan ahead for service parts deliveries so you can reduce the length of loaners... and delight your owners in the process.
