

Join the STEAM Learning Institute's Fellowship

Cultivating Thriving Spaces in STEAM

A gathering for community-centered, environmental justice advocates, and Literary STEAM Educators.

What You'll Experience:

A fertile ground and space cultivated for reimagining STEAM Education.

A nine-month journey of collaborating, designing, creating, retreating, playing with people, and place to imagine and speak a new future.

Who Is This For?

K-12 STEAM Educators • Nonprofit Educators • Administrators • Curriculum Designers • Higher Education Faculty • Interdisciplinary teams
