Dear Applicant

Exciting Opportunity at Little Oaks – Join Us in Shaping the Next Chapter

We are delighted to share an exciting opportunity at Little Oaks, our well-loved preschool provision based at Timberscombe C of E First School. As we look ahead to the new academic year, we are seeking passionate, creative and dedicated Early Years practitioners to join us in shaping the next stage of Little Oaks' journey.

Due to the personal decisions of staff at the end of this term, we now have the opportunity to form a brand-new team who will bring fresh energy and ideas to our Early Years setting. We see this as a moment of real growth and renewal, one that will benefit our children, families and wider school community for years to come.

Little Oaks is an integral part of our school and village life, offering a nurturing, joyful and curiosity-led environment where our youngest learners thrive. Being based within Timberscombe C of E First School, the successful candidates will enjoy the support of a warm, experienced staff team, a committed leadership structure and the close collaboration of the wider Moorland Federation. This network brings fantastic professional development opportunities, strong peer support and a shared ethos rooted in inclusion, creativity and holistic child development.

We are incredibly proud of the foundations Little Oaks has laid, and even more excited about what lies ahead. We are seeking individuals who are ready to make a real difference. Who want to work as part of a kind, capable team and who value play, discovery and care as central to early years education.

This is not just a job, it's a chance to help shape the future of a setting with so much potential. If you are enthusiastic about Early Years, love working in

partnership with families and colleagues, and are inspired by the idea of helping to lead this exciting new chapter, we warmly invite you to apply.

If you would like to discuss the role, the school, or the vision for Little Oaks in more detail, please don't hesitate to get in touch with us.
