Ash

Orchid Class have been busy exploring colour and creativity, delighting in mixing primary colours to discover new colours/shades. They've also been budding scientists, investigating the characteristics of animals across different groups and sharing fascinating facts. On top of that, their phonics skills are going from strength to strength—well done, everyone!

Oak

This fortnight has been full of creativity! In art, the children explored printmaking, producing lovely pieces that truly showcase their skills. In RE, we discussed the symbolism of Christmas for Christians, focusing on the nativity and festive traditions. In music, the children have been enjoying guitar lessons, building confidence with each strum. It's wonderful to see their enthusiasm!

Forest School
