

Our School Newsletter

24th October 2025

Ash

Orchid Class have been busy exploring their senses through a range of exciting investigations! From building puzzles without looking, to tasting a variety of foods and smelling mysterious pots filled with intriguing scents, they've been discovering how their senses help them understand the world around them. The children have really enjoyed preparing a joyful harvest song and creating beautiful artwork to proudly share during our Harvest service this week. In maths, the children have been developing their understanding of quantities by comparing 'more than' and 'less than' in fun, hands-on activities.

Oak

This week in Oak Class has been a whirlwind of discovery! From creating beautiful harvest prints in art to learning about our brains with My Happy Mind, our class is thriving! In Geography, they've crafted layered images to represent relief on maps, bringing geography to life! In Computing, they are learning to instruct a computer to 'come into class'.

Forest School

.....

Week Two of the Survival Games and the children of Ash and Oak are getting their teeth into den building. This year we have started from scratch and our budding Woodspeople have mapped The Triangle, and are now developing spaces for their mini bases. Going forward, we would welcome donations of natural cordage (garden twine, hemp rope...), wire wool, cotton wool pads, paracord, chopping boards, and clay.

Reminders / Important Info

.....

Please remember parking is always available at The Martlett Inn.

Jam jar donations required, for our home grown produce to be made in to chutney and sold at the Christmas Fair

Message from ...

.....

What a wonderful time we've had celebrating our Harvest Service!

It was lovely to see so many families and friends joining us to celebrate together and support our collection for the local food bank — a true show of our caring school community.

As the leaves continue to fall and the days grow crisper, we look forward to an exciting term ahead, full of learning, creativity, and new adventures. Autumn is a season of change and growth — and we can't wait to see what's in store!

Celebrating our
achievements!

Our Value for this
term

.....
Kindness

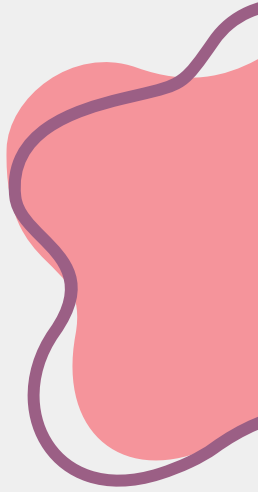

Be kind and compassionate to
one another
Ephesians 4:32
