

DUNSTER FIRST SCHOOL NEWS

Dear Parents and Carers,

At last some lovely Spring weather to enjoy-let's hope it continues into the weekend.

The last two weeks have been a busy time for Falcons class as they took a special delivery of some duckling eggs. Prior to the arrival of the duckling eggs, the Year 4 children researched about how to look after and care for the eggs and then for the ducklings when they hatched. They created some information leaflets about this in their literacy work and these are going to be displayed in the classroom. The Year 4 children looked after the ducklings amazingly well, named them, cared for them and cleaned them out-they became great members of the class although they were a little bit chatty! It did seem a concern to have had ducklings with Falcons, but it all worked out well in the end!

Tonight is the night we have all waited for-Mrs Thrush and her Easter Bingo! Thank you to all of those who donated eggs, chocolate and raffle prizes. Tonight will be an amazing event! A special thank you to Mrs Thrush and of course Kim.

Next week sees our whole school visit to the relaunch of The Tall Tree trail. Forestry England came in to do an assembly last week and some of the children had the chance to dress up in forestry kit and hold specialist equipment. It promises to be a really good day and the film crew from BBC Newsround will be there to record it, as well as BBC Radio Somerset. The children have all worked hard on a poster competition in school, with the winning posters going to be revealed at the Tall Tree Trail on Thursday. It promises to be an amazing day and thank you to all those who have volunteered to support it.

Have a lovely weekend with your families,

Best wishes,

Paul James
