

DUNSTER FIRST SCHOOL NEWS

Dear Parents and Carers,

I hope you are enjoying the weather!

Kestrels had a wonderful day walking to Bridicott Farm today. The children relished the opportunity to explore their surroundings and immerse themselves in nature and of the course the farm. It was a fantastic way to learn about the local environment and of course local farming, and they will remember the ice lollies on the walk too! Thank you to the Speeds once again.

Falcons participated in a sports morning at Minehead Middle School, where they showcased their athletic skills and team spirit. It was a great transition morning, filled with friendly competition and new friendships, and we are incredibly proud of how well our children represented our school.

We recently had our Move Up Day, which was a tremendous success. The children enjoyed meeting their new teachers and familiarising themselves with their upcoming classes. It was lovely to see their excitement and eagerness for the year ahead.

I would also like to extend a huge congratulations to the Falcons, who truly shone at the West Somerset Choir Concert at The Regal. Their hard work and dedication were evident, and they captivated the audience with their beautiful performances. Well done, Falcons!

We were also thrilled to welcome new families to our school community with the orienteering treasure hunt. It was a wonderful way for everyone to get to know each other, and I trust that our new families felt welcomed by our school.

Well done and thank you to Alanna and Emma for organising a cake sale which raised over £100-well done girls!

Lastly, I would like to commend all our children who attended the Area Sports. It was a resounding success, and their determination and enthusiasm were inspiring to witness. Thank you for your continued support in encouraging their participation in these events and for all of you who help to volunteer with our activities-we could not do it without you.

As we move forward, I encourage you to continue fostering your child's curiosity and love for learning. Engaging with their activities and discussing their experiences at school can greatly enhance their development.

Thank you for once again for your support and have a lovely weekend with your families.

Best wishes,

Paul James

Head of School
