

Our School Newsletter

12th September 2025

Merlins

It has been a wonderful experience getting to know our new classmates, and we have all made new friends. The Year 1 students have been exceptionally kind, guiding the new Reception children in understanding how things work. Additionally, the new children have adjusted remarkably well. Great job, everyone!

Have a lovely weekend

Miss Collins

Hawks

Hello from Hawks Class!

We have loved having the children back with us this week and enjoyed welcoming our new members. Thank you very much for your support settling the children in, they have done really well and already started to get used to new routines. You should have had a parent mail detailing the key information regarding PE days, etc. However, if you have any questions about life in Hawks class please do come and see me.

Have a lovely weekend,

Miss Sparks

Falcons

The Falcons have settled in well to their new classroom. We have made bookmarks which remind the children how amazing they are.

Have a lovely weekend

Message from Mr James

Welcome back to the start of the school year—and what has happened to the weather, although for farmers and gardeners, I am sure it is welcome? I Hope you all had an enjoyable summer.

The children have come back to school really well—it has been a great week and a half. We are trying a new newsletter format this year, I hope you like it, as each class now has it's own area to share news/events. Any feedback is welcome.

Have a lovely weekend with your families and here is hoping we get some late summer sun.

Celebrating our achievements!
