5th December

Robins

The KS1 children have been busy designing and making their own moving fire engines, creating an axle and wheels from wood. We have learnt how to measure and cut dowel safely using a hand saw. We still have some work to do over the next couple of weeks before showcasing our final products.

Reception children have been busy practising their counting skills, matching quantities and numerals. They have also enjoyed playing some new games in Maths taking turns to roll a dice and fill their boards with Numicon.

Kingfishers

It has been a busy couple of weeks rehearsing for our nativity performance next week (10th Dec). The children have worked hard learning their lines, remembering stage directions and practising their singing. We hope to see you there!

Last week we walked from Lynton to Lynmouth and surveyed the buildings as part of our geography focus for Generation Exmoor.

Dunkery Preschool

Christmas has arrived! We put up our Christmas tree and decorations, the children enjoyed adding the tinsel and baubles.

We made Christmas decorations by rolling marbles in paint and then over our chosen shapes. We made candy canes by threading beads on to pipe cleaners. For maths we printed our hands to make reindeer and counted how many fingers we have.

Message from Mrs Blackmore

The children have been busy rehearsing for their nativities at both sites, please do share the dates and times with your friends and families.

Well done to Mrs Walker-Blair, Mr James and Mr Moise-Souch for completing their epic bike ride. The children enjoyed cheering them on. If you would like to donate you can do so by clicking this link – <https://www.justgiving.com/page/moorland-federation-1>

Celebrating our achievements!
