Ash

.....

This week in Ash Class has been great fun! Our pupils have explored World War II, learning about the various jobs that contributed to the war effort. In English, they've crafted vivid setting descriptions of London during the Blitz, showcasing their creative writing skills. As Christmas approaches, we're excited to learn festive songs in our guitar lessons. Stay tuned for their upcoming performances! In Design Technology, students are busy designing a recipe for homemade Christmas jam. We can't wait to sell their delicious creations at the Christmas Fair.

Orchid

.....

Orchid Class have been busy enjoying finger painting poppies as part of our Remembrance Day activities, creating beautiful artwork while learning about its significance. Year 2 have been working hard in maths, practising how to add three numbers with great focus and determination. In Reception, the children have been using their blending skills to make wonderful progress with their reading, showing growing confidence each day.

Forest School

The children were interested in the idea of producing electricity from the sun and wind rather than by burning oil and gas and it was surprising how many of them have solar panels on their roofs now!

Outdoors, we prepared further for winter. The parish council have generously donated us a brand new tarpaulin, purpose built for our woodland base.

Reminders / Important Info

Please remember parking is always available at The Martlett Inn.

Any quiz prizes and craft fair donations gratefully received
