Ash

Ash Class has had a great end to the term. In Music, guitar lessons finished with a fun celebration, playing and singing Christmas songs together. In English, the children wrote instructions on how to wrap a Christmas present, focusing on clear steps and imperative verbs. In Computing, they learned how the internet works and how information travels online. In History, they explored the impact of the Blitz, learning how it affected people's lives during World War II.

Well done to Ash Class for all their hard work this term!

Orchid

Orchid Class have had a wonderfully busy and festive term! The children have been learning all about the Nativity story and have been enthusiastically rehearsing their fantastic Christmas play. In maths, they have been exploring patterns, different ways to make 5 and improving mental calculations, while in art they've enjoyed creating beautiful Christmas nature crafts. Their much-loved Drawing Club has been a highlight too, where they've delved into the stories The Tiger Who Came to Tea and Aliens Love Underpants, sparking lots of creativity and imagination.

Forest School

The Great Hunt takes place every year because it helps build up our strength, teamwork and friendship, and of course it is great fun. A tree is heavy and it takes approximately five to six people at a time to carry one. The children did a fantastic job working together.

A huge thank you to Langford Lakes for donating a tree and taking the time to talk to the children about the various types of trees and the different ages

Reminders / Important Info
