Haddon

It is lovely to be back and the children have returned, rested, relaxed and are focussing well. We have enjoyed a book called Ice Bear and written facts that we learnt from the book as well as drawing beautiful illustrations. Miss Smith and the children are getting on well and we look forward to a busy term together.

Landacre

In Geography we are doing a unit about the USA, we have spent time locating some of the 50 states in America. Ask your children if they remember any.

Burridge

Burridge Class have had a great couple of weeks back at school after the Christmas break. We have been busy learning about our new topics as well as heading out onto Exmoor to see how the landscape has been changed over time by both nature and humans. We have also been gearing up our preparations for SATs by practising our arithmetic skills and knowledge of all things SPAG related. In English we have been planning a persuasive letter in order to save our beloved Adonis (A character from our class read that we have almost finished).

The Link

The new play equipment was officially opened by the children this week and they have enjoyed trying it out!

Little Owls

We've had a fun PE session this morning

Science experiment

We have frozen some gloop (cornflour and water., it's great fun to make!). We are going to see whether it goes solid or remains liquid on Monday, we'll keep you updated

Message fromMrs Stenner.....

Dear Parents and Carers,
The children have returned to school after the Christmas break eager to learn and enjoying spending time with their friends. Our value this half term is 'Community' and the children have been encouraged to keep our school community looking lovely by picking up litter (safely!) Please talk to your children about our school rules – we discuss them lots in assembly so they should know them well!
Be Safe. Be Respectful, Be Ready.
Have a lovely weekend,
Mrs Stenner
