

Our School Newsletter

16th January 2026

Class 1

Class 1 have had a busy and exciting start to the term! In English, we enjoyed reading *The Way Back Home* and used it as inspiration to write imaginative postcards from the moon. In maths, Year 2 have begun learning about multiplication, exploring how numbers can be grouped and shared. Our science lessons have been hands-on as we investigated waterproof materials. We were also thrilled that we have our interactive LEGO boxes, helping us learn to code, build, and follow instructions in a fun and engaging way.

Class 2

Class 2 have started looking at a new book *Cinderella of the Nile* in literacy. This links in with history where they are focusing on ancient Egypt. In history the children have looked at artefacts and made their own clay pots. In science they have started looking at forces including magnets, focusing on push and pull forces. In maths the children have started looking at numbers up to 10,000 focusing on place value.

Little Oaks

Little Oaks have had a wonderful first couple of weeks back. They have enjoyed dressing up in their new costumes. They have also been learning about the three little pigs and, have been taking part in lots of activities around the story. The children have also had lots of fun practicing gymnastics in PE.. Great work Little Oaks.

Reminders / Important Info

PE days this half term:

Wednesdays for Class 1 and Thursdays for Class 2

Little Oaks PE day is also on a Thursday – please ensure your child has a pair of trainers

Message from Mrs Hall

Welcome back! The first two weeks after Christmas have been full of energy and great learning as we begin the term together. This term, we're proud to introduce Creativity as our new school value, encouraging pupils to think imaginatively, take risks, and express themselves in new ways. I am excited to see creativity come to life in classrooms, and everyday learning over the weeks ahead.

Class 1

Achievement Award goes to Charlie for some excellent sounding out and blending

Kindness Award goes to Lucas M for being extra helpful in the mornings

Celebrating our achievements!

Class 2

Achievement Award goes to Daisy for some super maths reasoning

Kindness Award goes to Dominic for helping his peers

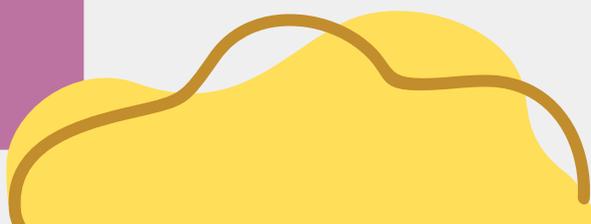

Our Value for this term

Creativity

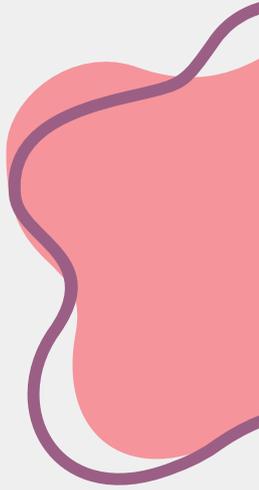

“So God created mankind in his own image, in the image of God he created them; male and female he created them.”

Genesis 1:27
