

# Our School Newsletter

16th January 2026

## Ash

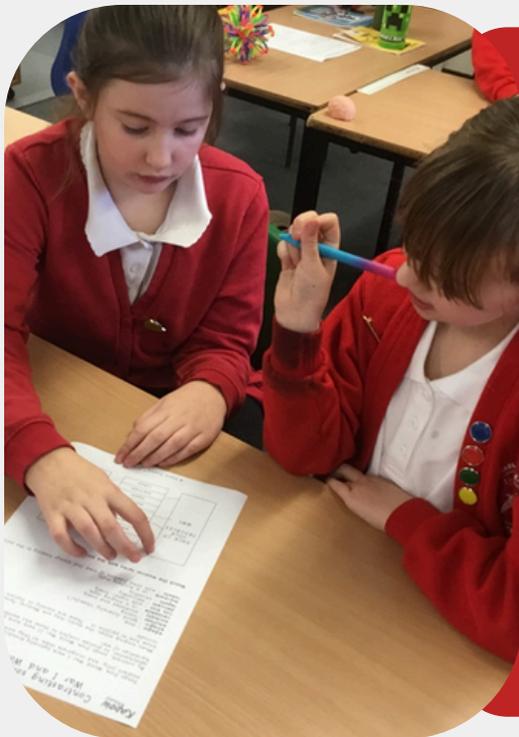

.....

In Ash class, we have made a great start to the term. We are enjoying exploring the book, *The Lost Thing* in English lessons and we have continued with our WW2 project in music and in PE, learning songs and dances from the period.

## Orchid

.....

Orchid class have launched into their new science topic with great excitement. They have begun observing and recording the weather, noticing changes in the sky, temperature and rainfall—of which we have had plenty! Alongside this, they are learning about the four seasons and how our environment transforms throughout the year. It has been lovely to see their curiosity spark during their daily weather checks.

## Forest School

This week the weather was oh so different – wet but warm instead! It seemed like a good day for our winter walk and the children started off in class with a mapping exercise. Using the Ordnance Survey they designed a circular walk that followed local footpaths across fields and woodland, stopping for a break at the Langford Common's 'Butterfly Bench'.

## Reminders / Important Info

Please remember parking is always available at The Martlett Inn.

## Message from ...

Although the weather has certainly kept us on our toes, the children have shown great enthusiasm, resilience and curiosity in their learning this week.

Our Forest School sessions have continued to be a real highlight. Even with the busy schedules and the rather persistent rain, the children have embraced every moment. They have splashed through muddy paths, built shelters to keep dry, and worked brilliantly as teams to explore the natural world around them.

Key Stage 2 pupils took part in a hugely successful Evacuee Day, stepping back in time to experience life during World War II. The children engaged thoughtfully and respectfully with the history, asking insightful questions and showing real empathy for what evacuee children faced. A special thank you to Mrs Davidson and families for the costumes and enthusiasm that helped bring the day to life.

As always, I am incredibly proud of the positivity, creativity and resilience our pupils bring to school each day. Thank you for your continued support, and I look forward to sharing more of their achievements as the term unfolds.

Celebrating our achievements!

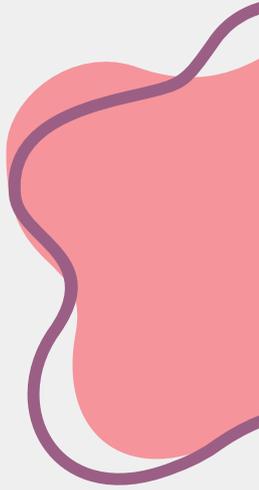

Our Value for this term

.....  
**Creativity**

Be creative in God's hands with his guidance
