30th January 2026

## Ash

Last Friday, the Ash class children had a wonderful day stepping back into World War 2 and experiencing life as an evacuee. During the day, the children made gas mask boxes and evacuation labels, created some drama about leaving their families, tasted some wartime rationed cookery, wrote letters in role to their families back and home and created some powerful artwork inspired by The Blitz. They even learned how to dance The Lambeth Walk! A great time was had by them all and it was wonderful to see their learning brought to life.

## Orchid

Orchid Class have had a wonderfully busy and engaging few weeks. The children have been developing their hockey skills with great enthusiasm, exploring the Christian creation story through discussion and creative activities, and beginning their discovery of Scotland as part of our wider learning about the United Kingdom. They are also gaining a clear understanding that the UK is made up of four countries, and they've enjoyed identifying each one. It's been a joy to see their curiosity and confidence grow.

# Forest School

With so much wet weather, thank goodness the plan pulled together and contributed to the goodness of all.

We now have a flag carrier to walk ahead of the other children, increasing our visibility on the road; we've two children hitched up to the trolley to pull it and another

child to steer; then we've our wood choppers, our firelighters, our dead wood collectors, our log lifters, our hot chocolate makers and our servers; not mentioning all the other little roles that we have out in the woods

to do with base building and swing setting up!

With a team like this we can succeed in any weather!

## Reminders / Important Info

Please remember parking is always available at The Martlet Inn, please be respectful of the local residents

## Message from ...

As we approach February half term, we are beginning to see the signs of spring and along with it hopefully some better weather.

Please can I remind you that children should bring in a refillable water bottle, waterproof coat, and their reading book and reading record each day. Children are encouraged to drink water throughout the day and encouraged to refill when they have finished it.

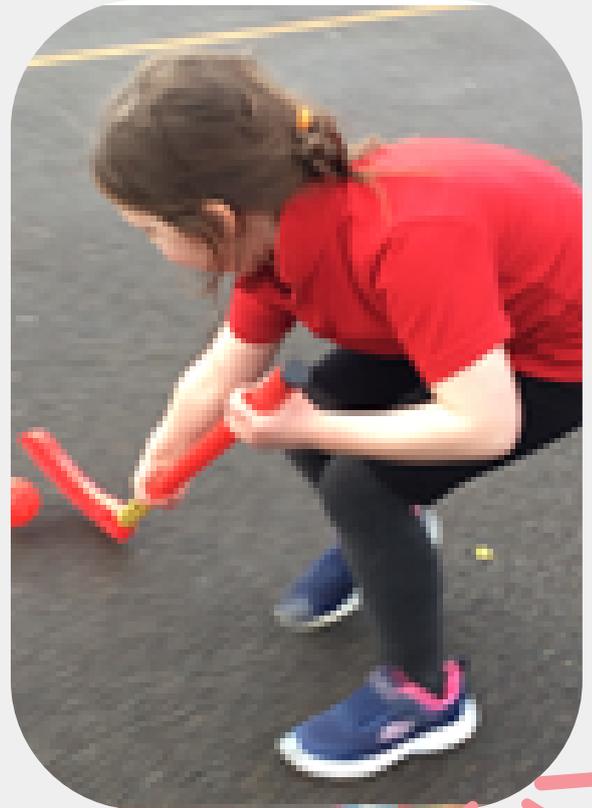

Finally, can I remind everyone that we do have a parking agreement for you to use the Martlet Inn carpark both at drop off and pick up times. We are seeing a number of families stopping on the yellow zigzag lines and the junction opposite the school. This for safety purposes as well as consideration to our local residents.

Thank you for your support.

Celebrating our achievements!

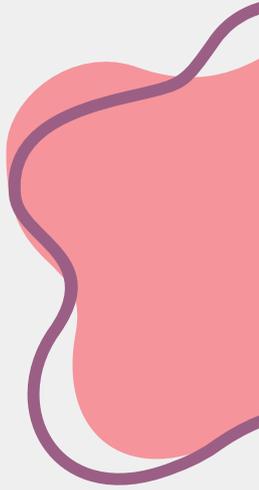

Our Value for this term

Creativity

Be creative in God's hands with his guidance
