

# Our School Newsletter

13th February 2026

## Class 1

What a fantastic half term it has been in Class 1! We've explored the lives of famous scientists, including Charles Macintosh and Mae Jemison, sparking curiosity and big questions. The class have loved using SPIKE LEGO boxes to build and code, created beautiful patterns in art, and embraced plenty of fun during wet outdoor learning sessions. We're so proud of all the children's achievements, well done, everyone!

## Class 2

Class 2 have had a busy two weeks. They went to Generation Exmoor at Nutcombe and enjoyed a day full of walking and fun activities linked to map work. In music they have continued to learn the violin and are working towards learning a song to perform in an assembly. In literacy the children have written their own versions of Cinderella of the Nile which they typed up. In history children have been learning to write like an Egyptian. Hope you all have a lovely half term!

# Little Oaks

Little Oaks enjoyed learning the life cycle of a caterpillar. They have had lots of fun joining in with activities about caterpillars and butterflies. We have explored caterpillars and butterflies in a tuff tray, practiced using scissors to cut our own life cycle pictures and lots more.

The children have been eager to explore new foods and flavours this month. They have enjoyed taking part in different food tasting tests, then discussing what the different food tastes like. They were excited to make toast and porridge; we spoke about the changes that happened to our food while we made it.

## Reminders / Important Info

PE days this half term:

Wednesdays for Class 1 and Thursdays for Class 2

Little Oaks PE day is also on a Thursday – please ensure your child has a pair of trainers

## Message from Mrs Hall

As we reach the end of this half term, I want to thank everyone for the creativity and care that has filled our school each day. It has been wonderful to see the value of creativity shine through, with so much beautiful art displayed around the school. Just as importantly, we continue to see kindness in action, in classrooms, corridors, and on the playground, which makes our school such a special place to learn and grow. Have a lovely half term break with your families.

Celebrating our achievements!

Our Value for this term

Creativity

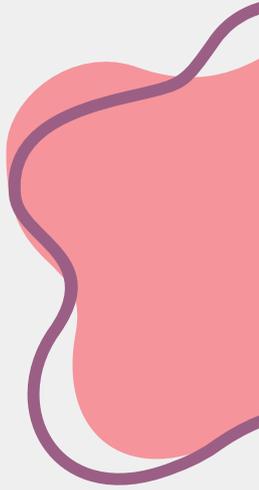

“So God created mankind in his own image, in the image of God he created them; male and female he created them.”

Genesis 1:27
