### Helping children enjoy and thrive at lunchtime

We are looking to appoint a caring, reliable and enthusiastic Midday Supervisor to join our friendly team. This is an important role within our school community, helping to ensure that lunchtime is a safe, happy and positive experience for all children.

As a Midday Supervisor, you will support pupils during lunch, encourage positive play, promote good behaviour and ensure the wellbeing and safety of children at all times. You will help create a calm and enjoyable environment where children feel secure, included and ready to return to learning.

This is a fantastic opportunity for someone who enjoys working with children and values being part of a supportive and collaborative school team.

### We're looking for someone who is:

- Warm, approachable and patient
- Calm and confident in managing groups of children
- Observant and proactive about safety
- Fair, consistent and positive in their approach
- Able to work well as part of a team
- Reliable and punctual

Experience of working with primary-aged children is desirable but not essential. A willingness to learn and a positive attitude are just as important.

### Key responsibilities:

- Supervising pupils in the dining hall, playground and other areas of the school site

- Promoting positive behaviour in line with school policies
- Supporting children with social interaction and play
- Encouraging healthy eating and good table manners
- Responding to minor first aid needs (training can be provided)
- Ensuring the safety and wellbeing of all pupils during the lunchtime period
- Communicating effectively with colleagues to ensure smooth transitions back to class

#### In return, we offer:

- A supportive, friendly team and inclusive school culture
- A positive, purposeful working environment
- Ongoing professional development tailored to your growth
- The opportunity to make a meaningful difference every day
- A Federation-wide ethos of collaboration and care
