

Our School Newsletter

6th March 2026

Haddon

What a busy two weeks! We have changed the classroom around to create two separate spaces, which allows the children to be quiet when they are working and also provides for learning through play and collaboration.

We are excited about designing and making our wheeled vehicles in DT and have enjoyed science, learning about temperature and windspeed. Reading has been a focus this week which has culminated in World Book day, a fabulous time to share favourite books with each other.

Landacre

This week Landacre Class had a wonderful time celebrating World Book Day. The children enjoyed sharing their favourite stories, taking part in book-themed activities and talking about the characters they love most. It was lovely to see such enthusiasm for reading across the class.

Burr ridge

This week our school librarians had a wonderful time celebrating World Book Day with the younger children. The librarians really enjoyed sharing stories and reading together, helping to inspire a love of books and imagination.

It was lovely to see the children listening so carefully and joining in with the stories. Thank you for supporting their enthusiasm for reading at home as well!

The Link

Children in The Link dressed as grumpy unicorns, Darth Vader, a snake carrying adventurer and there was even an appearance from Professor McGonagall! The children have chosen the storybooks all week and enjoyed assembly looking at everyone's costumes!

Little Owls

Happy World Book Day! 📖
We loved seeing all the wonderful costumes and celebrating the joy of reading. Thank you for making it such a fun and magical day for the children!

Reminders / Important Info

To help prevent the spread of illness, please remember that children (and adults) should stay away from pre-school, school, or work for 48 hours after their last episode of sickness or diarrhoea.

This 48-hour rule is important because individuals can still be infectious even after symptoms have stopped.
For more detailed advice, you can find up-to-date guidance on the NHS website

Message from Mrs Stenner

Dear Parents and Carers,
We have had a truly fantastic week in school as we celebrated World Book Day. It has been wonderful to see our pupils embracing the joy of reading and sharing their love of books with one another.

A special thank you goes to our lovely librarians, who played such an important role in making the week memorable. They spent time reading with our younger pupils, creating warm and welcoming moments that inspired curiosity, imagination and a love of stories.

Opportunities like these remind us how powerful reading can be. Whether discovering new adventures, learning something new or simply enjoying a quiet moment with a book, we hope this week has encouraged all our pupils to keep reading and exploring the wonderful world of books.

Thank you to everyone who helped make the celebration so special.

Mrs Stenner
