Class 1

Class 1 has had a fantastic two weeks back! We loved Book Week, especially our fun drama activities and the amazing costumes everyone has worn today. What a creative class we have! In Science, we have been keeping weather diaries and are so happy to see the sunshine return. In History, we learned about important explorers and their exciting adventures around the world.

Class 2

Class 2 have had a fun first two weeks back after half term. They have taken part in a Brass workshop at Exford, had Wren music in to start learning songs for a performance later on in the month and been on Generation Exmoor. On Generation Exmoor they helped to plant trees for a new woodland in Simmons bath. In maths they have been learning how to add using column addition. In History they have continued their learning about ancient Egypt and focused on pharaohs including Tutankhamun.

Little Oaks

Little Oaks have had a great two first two weeks back after half term. They got stuck in learning about dinosaurs for a week, taking part in construction activities, working together to design and build our own 'dinoland'. They practiced their physical skills, by using scissors to make our own dinosaur pictures and concentrated to complete our threading dinosaurs.

They enjoyed the blue skies, and began learning about spring. They had fun flying a kite, planting our own flower and vegetable seeds. We went for a walk to the post office to send our poem entries, and we had fun making "spring potions" together with the water.
