- Knowledgeable of (or willing to learn) health & safety procedures and compliance requirements
- A strong communicator who works well with staff and external contractors

- Trustworthy and able to maintain confidentiality
- Committed to safeguarding and promoting the welfare of children
- Conscientious and vigilant in securing and locking the school site

This role will suit you if you have:

- Experience in cleaning, caretaking, site management or a similar role (desirable but not essential)
- Basic maintenance skills (e.g. minor repairs, DIY tasks)
- An understanding of health & safety requirements within a workplace or school setting
- The ability to work independently and use initiative
- Good attention to detail and high standards
- A flexible approach to respond to the needs of the school

Key responsibilities will include:

Cleaning Duties:

- Opening and locking the school site as required
- Ensuring the site is safe, secure and well presented at all times
- Carrying out basic maintenance and minor repairs
- Liaising with contractors and supporting site access where required
- Supporting statutory compliance checks (e.g. fire safety, water hygiene, equipment checks – training can be provided)

In return, we offer:

- A welcoming and supportive school and Federation community
- Friendly and dedicated colleagues who value teamwork
- A varied and rewarding role at the centre of school life
- Opportunities for professional development and training
- The chance to make a meaningful difference within our school community
- Enthusiastic and friendly children who make our schools such special places to work
