

Our School Newsletter

18th September 2026

Haddon

Haddon Class have been much more settled this week and are beginning to get into our daily routines. It has been lovely to see them becoming more confident and comfortable in our classroom.

The children have been enjoying lots of different activities, particularly maths, phonics and drawing. 📏 1 2 3 4

We finished the week with some lovely outdoor Learning time in our orchard, where the children enjoyed exploring and learning in the fresh air. 🍎 🌳
Well done, Haddon Class, on a lovely week! ★

Landacre

The children have settled so well back into school life and have been enjoying getting creative in our Art lessons.

Last week, we had lots of fun exploring colour wheels and experimenting with mixing paints. The children loved creating their own six-segment colour wheels and were very proud of the colours they made. It was lovely to see their creativity and independence shining through!

Burridge

Burridge Class have had a great fortnight; the children have settled well and are getting back into the flow of school life. They have worked hard in both English and maths and enjoyed carrying out investigations into forces in science. They've also created some wonderful self-portraits looking carefully at the proportions of the human face before sketching.

The Link

In the link, we have been learning about the importance of friendships and what makes a good friend. We discussed qualities such as kindness, sharing, helping one another, listening, and showing respect. To symbolise our learning about friendship, we made a friendship cake together. Each part of the cake represents the special qualities and values that help build strong, happy, and positive friendships. It was a fun and meaningful activity that allowed us to celebrate friendship and understand why being a good friend is so important.

Little Owls

🦒🐘🐅 Zoo animal tuff tray 🦒🐘🐅

The seven areas of learning this activity links to are:

- 🌍 Understanding the world (talking about the different animals and where they live)
- 🗣️ Communication and language (conversation with each other and extending their vocabulary)
- ❤️ Personal, social and emotional development (group activity, children can express their emotions and choose what animal they'd like to play with independently)

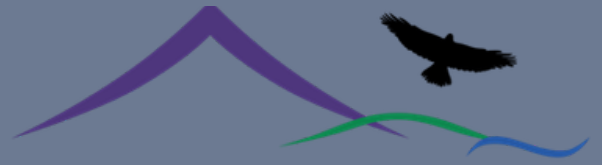

Reminders / Important Info

To help prevent the spread of illness, please remember that children (and adults) should stay away from pre-school, school or work for 48 hours after their last episode of sickness or diarrhoea. This 48 hour rule is important because individuals can still be infectious even after symptoms have stopped.

For more detailed advice, you can find up to date guidance on the NHS website

<https://www.nhs.uk/symptoms/diarrhoea-and-vomiting/>

Thank you for your continued support

Moorland Federation

You will find lots of information on our school website, including upcoming important dates and curriculum information for each class, as well as information about the wider federation – please do have a look.

Message from Mrs Stenner

Dear Parents and Carers,

It is fantastic to see all children back at school and settling into their new classes. Learning has started in earnest already, with even our youngest children making great progress in the first two weeks.

Thank you to those parents who joined me for the coffee morning on Wednesday. We talked about all sorts of things such as lunchtimes, clubs, volunteering, trips, teaching of RE and more. I run a coffee morning every half term, please do come along to the next one to share your ideas for the school and ask any questions you might have. I am also on the gate most mornings and afternoons so please do come and have a chat if there is anything I can help you with.

Have a lovely weekend,
Mrs Stenner

Our School Rules

Our school runs on a system of rules and values which the children are all explicitly taught. Our rules are:

- Be Safe
- Be Respectful
- Be Ready

Our Values

We have a set of 5 Values. We teach the children that these help us make all our decisions in school. Our values are:

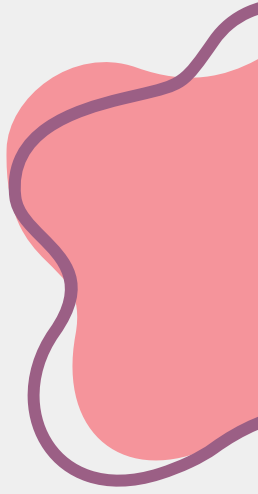

- Respect
- Responsibility
- Community
- Kindness
- Trust

House Points are achieved for showing behaviour which displays our school values, and each house receives a treat when they get to a set amount of house points.

The children enjoy this system and it encourages them to support each other to do well.
