Providing Hope in the Face of Cancer

OUR MISSION

To provide hope and healing to the cancer community by ensuring anyone facing cancer can have ***a survivor by their side.***

HOW WE HELP

One-on-One Matches

We match cancer patients and caregivers with a CanCare trained volunteer with similar cancer experience.

Healthcare Visitation

CanCare trained volunteers provide in-person emotional support to cancer patients and caregivers.

Virtual Support Groups

We facilitate virtual support groups for all patients, Stage IV patients, and caregivers.

OUR IMPACT

50,000+ Matches

For cancer patients and families with CanCare trained volunteers.

230,000+ Hospital Visitations

With patients and caregivers at our healthcare partner facilities in Texas.

2,400+ Volunteers Trained

Representing more than 60 types of cancer.

35+ Years of providing emotional support to our cancer community.

Testimonials about CanCare

FROM CLIENTS

Everyone says they can't imagine what you are going through...but few actually understand. [My volunteer] didn't just become a friend, she became family. I am forever grateful for her giant heart. – Danielle

My CanCare friend is wonderful. I always feel better after speaking with her. She is kind, warm, and very smart. She has been an invaluable connection for me, and I am so grateful to have this resource. Thank you! – Client, Nancy

FROM VOLUNTEERS

I love when clients ask me about my journey with cancer. It's more than just sharing a story. It's giving HOPE and igniting a determination to fight so that they too can one day share their own survivorship story. – CanCare Volunteer, Roman

CanCare is an incredible organization dedicated to providing hope and healing to the cancer community. It has been a life-changing commitment and personal investment for me to be a part of something so much larger than myself. – CanCare Volunteer, Val

FROM PARTNERS

We consider CanCare a valued partner in Houston Methodist's Cancer Care Team. Caring for the emotional and mental health of cancer patients is a critical component of their healing, and we are grateful to have CanCare providing this support for Houston Methodist's patients. – Roberta L. Schwartz, EVP, Houston Methodist Hospital

By connecting our patients with cancer survivors who truly understand their journey, we're providing an essential dimension of support that complements our clinical excellence. Our partnership with CanCare aligns perfectly with our vision of delivering the right care, to the right person, at the right time. – Esmaeil Porsa, MD, President & CEO, Harris Health
