

Invoices and Notification

Invoices and Notifications – Text Templates

We suggest users include information on invoices about the TransferMate payment method for international students.

Add to Invoices, Schedule Notifications

Tuition invoices are ideal places to remind international students of their option to make a payment through TransferMate.

Follow the user guide instructions below to add custom language to your invoices. Use the language below as a template.

INVOICES

Making International Payments

UK Sterling payments:

Bank Transfer: Barclays bank, ..., Account ..., Sort .., IBAN.....

International payers: The Barclays and TransferMate Partnership offers a secure way to pay with no International bank charges and a preferential foreign exchange rate.

To pay using Barclays and TransferMate's solution, click the link: [<INSERT LINK TO PAY>](#)
