

## Invoices and Notification

---

### **Invoices and Notifications – Text Templates**

In the student account center, include information on invoices and schedule notifications on the TransferMate payment method for international students.

#### **Add to Invoices, Schedule Notifications**

Tuition invoices and eBills are ideal places to remind international students of their option to make a payment through TransferMate.

Additionally, notifications in the student account center provide another reminder.

Follow the instructions in your TouchNet user guide to add custom language to your invoices and eBills and to schedule notifications. Use the language below as a template.
