

Amended Notice of Joint Public Hearing

The New York City Department of Education (NYCDOE) has amended this notice to reflect the addition of two in-person Joint Public Hearing dates, one at building M342 on April 15 and one at building M009 on April 20. No changes have been made to the Educational Impact Statements (EISs), or otherwise have been made to the amended notices for these proposals.

The Proposed Grade Truncation of The Riverside School for Makers and Artists (03M191) from a K-8 School to a K-5 School in Building M342 in the 2026-2027 School Year

And

The Proposed Re-siting of M.S. 243 Center School (03M243) from Building M009 to Building M342 and Co-location with The Riverside School for Makers and Artists (03M191) in the 2026-2027 School Year

The NYCDOE is proposing to truncate grades 6-8 of The Riverside School for Makers and Artists (RSMA, 03M191), in building M342 in the 2026-2027 school year. A grade truncation means that the school will serve fewer grades than it currently offers. If this truncation proposal is approved by the Panel for Educational Policy (PEP), beginning in the 2026-2027 school year, RSMA will no longer enroll students in grades 6-8 and will serve only students in grades K-5 as well as in its 3-K and pre-Kindergarten programs beginning in the 2026-2027 school year, enabling it to focus exclusively on building a quality elementary school in District 3.

The NYCDOE is concurrently proposing to re-site M.S. 243 Center School (Center School, 03M243), from building M009 to building M342 and to co-locate it with RSMA in M342 in the 2026-2027 school year. A re-siting means that part or all of a school will be moved to a different building than the building in which the school or part of the school is currently located. A co-location means that two or more school organizations are located in the same building and may share common spaces, such as gymnasiums, libraries, cafeterias, and multi-purpose rooms. M342 is 1.5 miles from M009. If this re-siting proposal is approved by the PEP, Center School will no longer serve students in M009 following the 2025-2026 school year and will instead be re-sited and serve students in M342, where it will be co-located with RSMA, beginning in the 2026-2027 school year.

The proposal to re-site and co-locate Center School with RSMA is contingent on the proposal to truncate RSMA. However, the proposal to truncate RSMA is not contingent on the proposal to re-site and co-locate Center School in M342. Both proposals will be voted on separately by the PEP. For further information about these proposals, please see the EISs, which are available in the main offices of RSMA, Center School, and P.S. 9 Sarah Anderson, as well as on the PEP website at:

<https://www.schools.nyc.gov/about-us/leadership/panel-for-education-policy/2025-2026-pages/april-29-2026-school-utilization-proposals>.
