## Trader Road Map

The 2026 Bristol International Balloon Fiesta exhibitor and catering applications can be accessed via Jotform.

Caterers are required to pay a deposit to reserve a stand space and the full amount to confirm their stand space. Caterers must comply with all payment terms, as outlined in the Caterer Terms & Conditions.

Exhibitors will not be required to pay a deposit but must still comply with all payment terms, as outlined in the Exhibitor Terms & Conditions.

Application key dates have been outlined below.

Please note that the deposit and payment deadlines represent the latest possible dates for invoices that fall within the standard 30-day payment period. After these deadlines, any new applicants will be required to pay immediately upon receiving their invoice. As outlined in the terms and conditions, all invoices are due within 30 days of the issue date—not on the final deadline date.

Failure to comply with payment terms will result in loss of pitch allocation.
