## LeaderSheep by EStars Entrepreneurship & Leadership

LeaderSheep is an immersive 3D game where players are tasked with protecting and managing a flock of sheep.

### Levels

Players complete each level by reaching a defined earnings goal or quota.

**02.**

### Skills

Designed to help players build leadership and entrepreneurial thinking as they advance through increasingly challenging levels.

**03.**

### Progress & Rewards

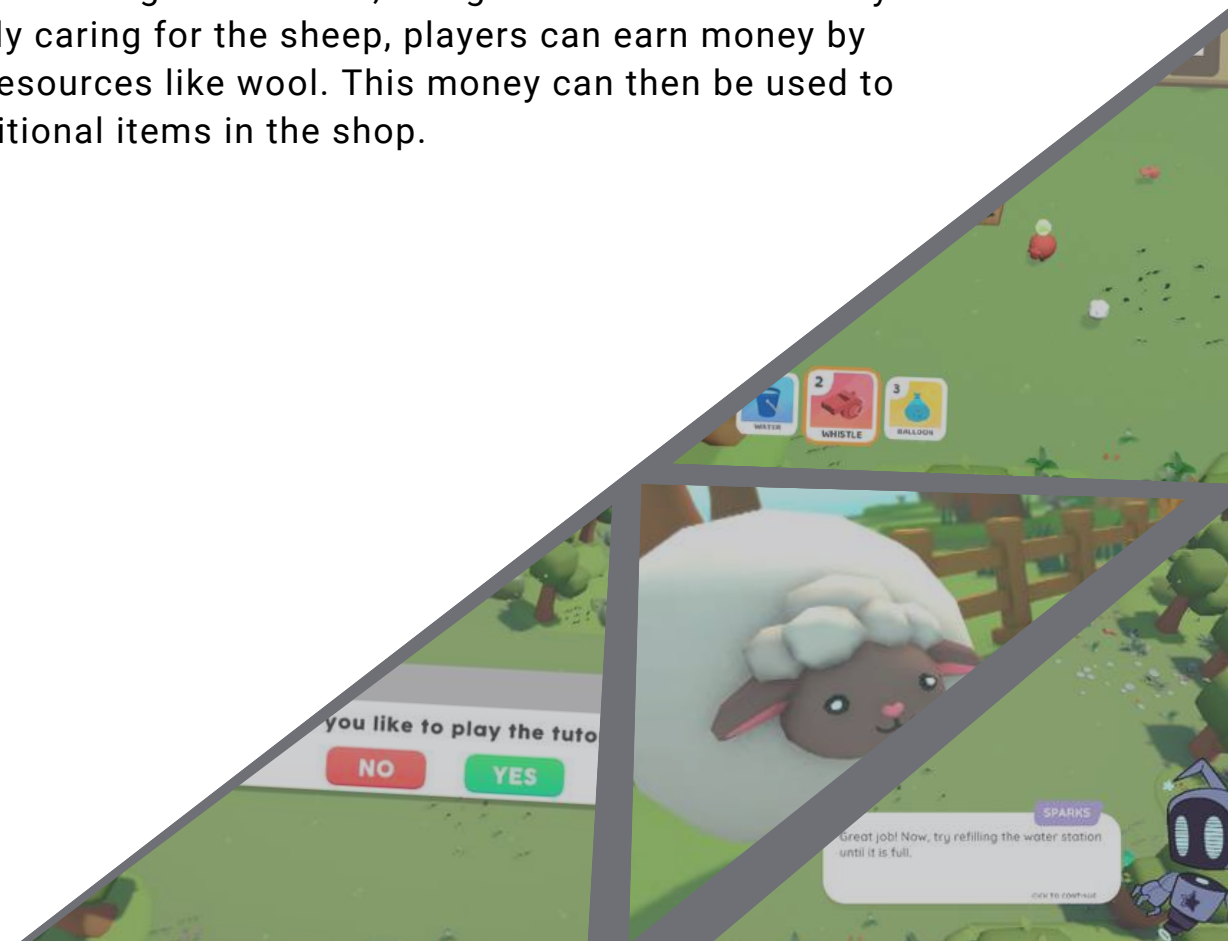

Includes progress points and rewards players upon completing levels or milestones, motivating continued growth and learning.

## Game Overview

**LeaderSheep** is a top-down clicker game where players aim to **protect and guide their sheep** to safety while managing their needs, such as hunger and thirst, using the available items. By successfully caring for the sheep, players can earn money by gathering resources like wool. This money can then be used to unlock additional items in the shop.

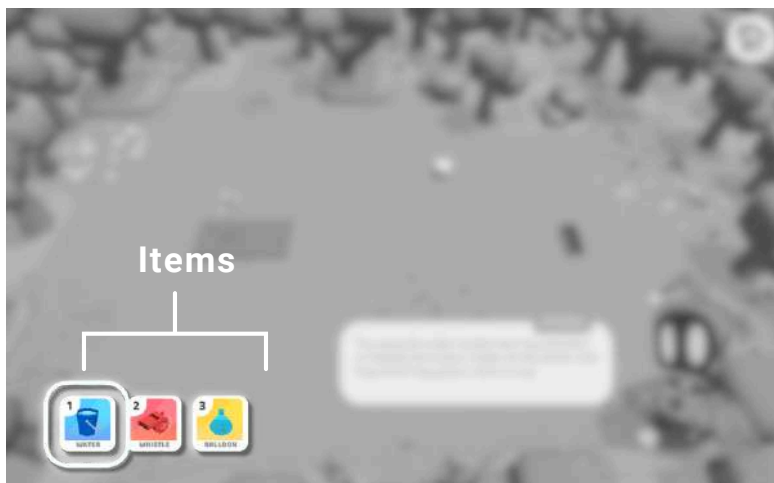

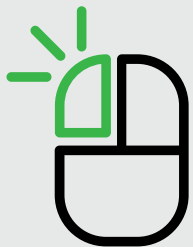

# Instructions

**Your main goal in the game is to take care of your sheep and collect wool from them.** Use the wool you gather to unlock additional items for purchase in the shop.

## 01. How to use items?

In the game, you are provided with three different items. To use these items, you can either **left-click on the item with your mouse** or **press the keys 1, 2 and 3 on your keyboard**.

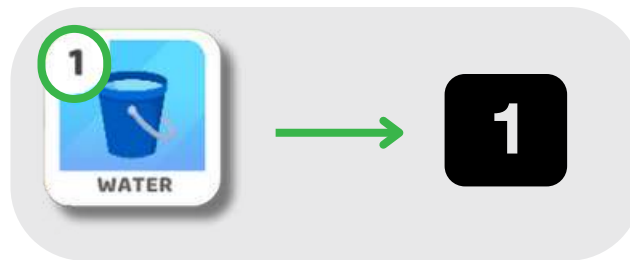

or

# Instructions

The number located in the upper left-hand corner of the item indicates which key on the keyboard you need to press to use the item.

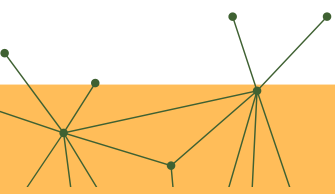

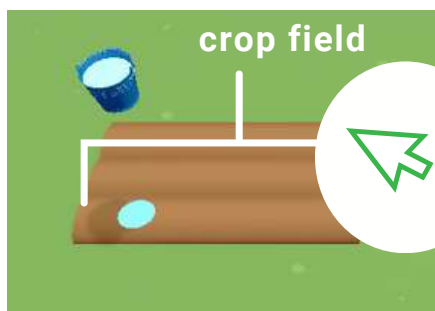

## A) The Water Bucket

This item can be used in two different ways: watering the crops and refilling the sheep's water station. It helps take care of the sheep's essential needs.

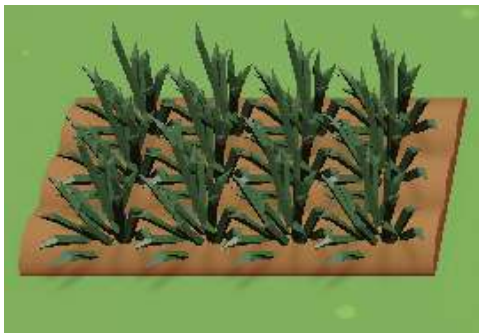

1) To water the crops, hover your mouse **over the crop field** shown in the image below and **hold the left mouse button to pour water onto the crops**.

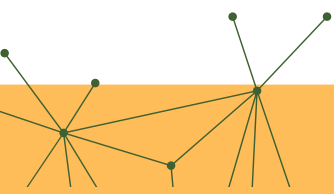

# Instructions

2) Keep holding the left mouse button until all the **grass is 100% grown**. Be sure to **keep watering them**, as the **grass will disappear once the sheep eat it**.

3) To refill the sheep's water station, **hover your mouse over the water station** shown in the image below and **hold the left mouse button to pour water into it**. This will refill the water station. Make sure to keep refilling it, as the water will deplete when the sheep drink from it.

# Instructions

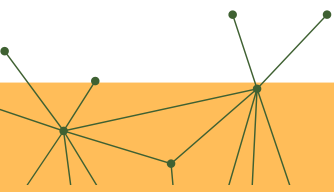

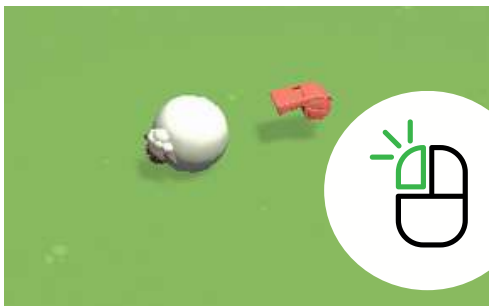

## B) The Whistle

This item is used to guide the sheep's movement. When you use the whistle, the sheep will move away from the sound, allowing you to control their destination. It works similarly to how a sheepdog herds sheep

\*This is an important item because sheep don't know where to go when they're hungry. You need to use the whistle to guide them to the appropriate location.

1) To use this item, **click the left mouse button near the sheep you want to control**. The sheep will move away from the whistle sound, as shown in the image below.

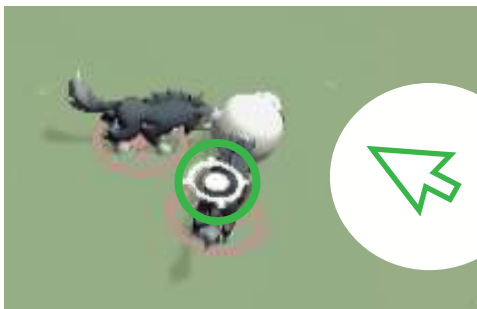

# Instructions

## C) The Water Balloon

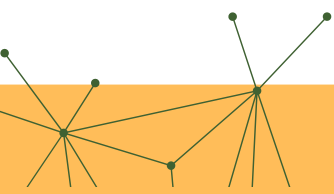

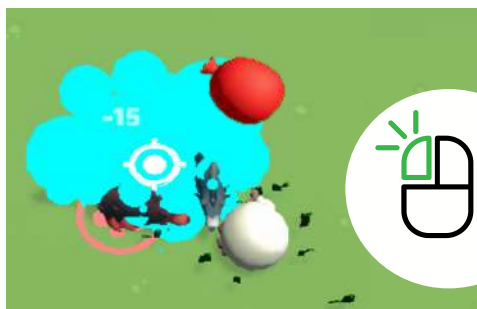

This item plays a crucial role in protecting your sheep. Wolves will randomly appear in the game and attempt to attack your sheep. Use this item to throw water balloons at the wolves to eliminate them.

1) To use this item, **press the left mouse button and hover your cursor over the wolves** you want to target. The white reticle, shown in the image below, will guide you, indicating where your balloon will hit.

2) When the balloon hits the wolves it will decrease the wolves' power (-15 of power). Make sure to keep clicking the left mouse button until the wolves are eliminated (no power left).

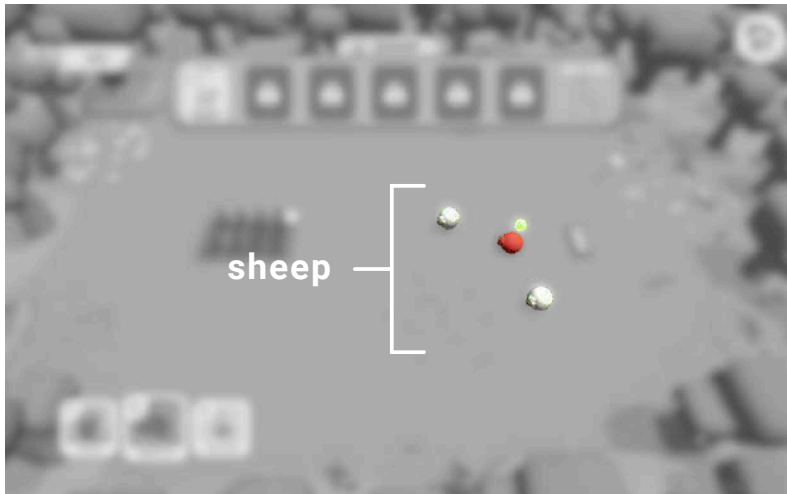

# Instructions

## 02. How to take care of your sheep?

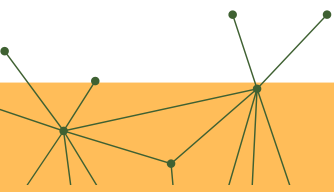

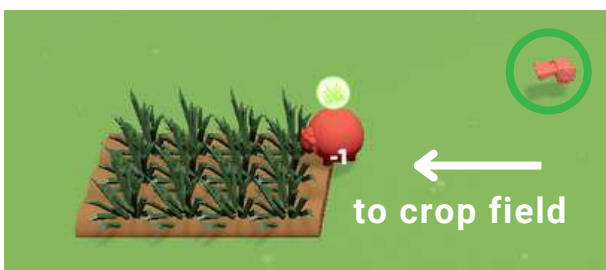

Your sheep **only needs 2 things, food and water.**

1) If you see a green grass icon, it means the sheep needs grass

2) This indicates that you should **use the whistle item to guide the sheep to the crop** fields so they can eat. Make sure to water your crops regularly to ensure your sheep don't run out of food.

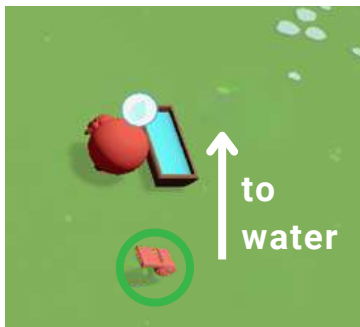

# Instructions

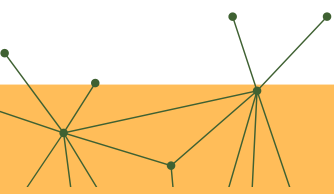

3) If you see a blue water icon, it means the sheep need water.

4) This indicates that you need to **use the whistle item to guide your sheep to the water station**. Make sure to keep refilling the water stations shown in the image below to ensure the sheep don't run out of water to drink.

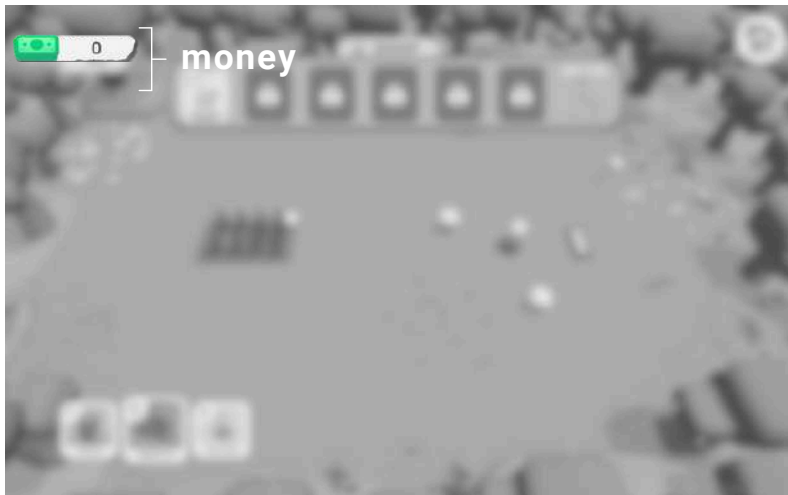

\*Failing to provide the sheep with food and water within 1–2 minutes will result in the sheep dying.

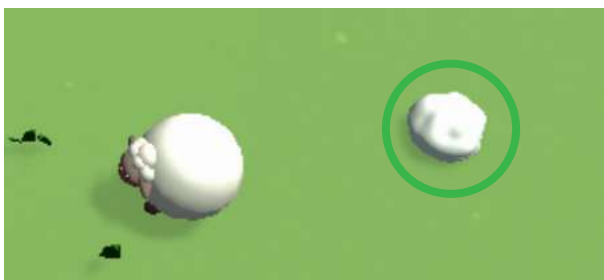

# Instructions

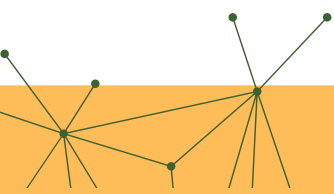

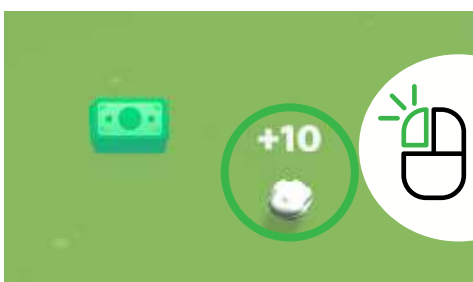

## 03. How to earn money?

1) If your sheep are healthy, they will randomly produce wool. The wool appears as a white blob in the game, as shown in the image below.

2) Make sure to collect the wool before it disappears. Use your **left mouse button to click on the wool**, which will earn you money.

# Instructions

## 04. Where to use your money?

In the game, there is an in-game shop located at the top of the screen. In this shop, you can purchase various items that will help you earn more money. Each item has a different price.

1) You can purchase items by **clicking on the buy button**.

2) The lock icon, as shown in the image below, indicates that this item needs to be unlocked.

# Instructions

3) To unlock the item, you must purchase quota, which is the last item available in the shop. With each purchase of the quota, its price will progressively increase.

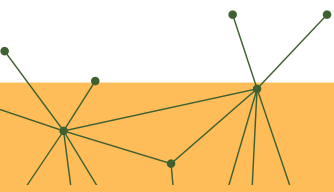

## Shop Items

### A) Golden Sheep

This sheep produces wool that is more valuable compared to that of a normal sheep.

- It produces **gold wool that you can collect**, which helps you **earn more money**.

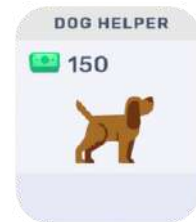

# Instructions

## B) Dog Helper

This dog is your assistant that automatically collects wool for you and helps fight off wolves.

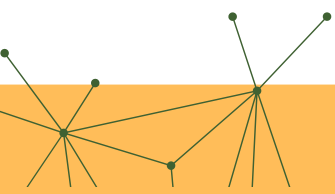

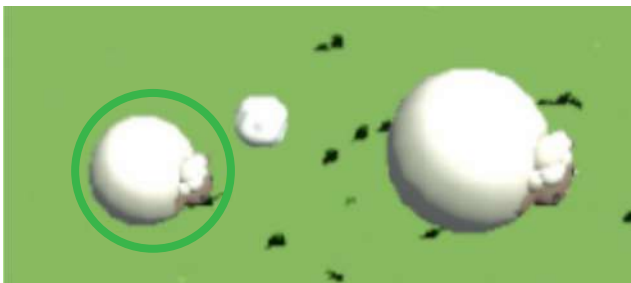

- There's no need to control it or feed it. All you can do is **give it a rub by left-clicking on it.**

## C) Mother Sheep

This sheep randomly produces **baby sheep instead of wool.**

- They're the kind of sheep that **get hungry quickly.**

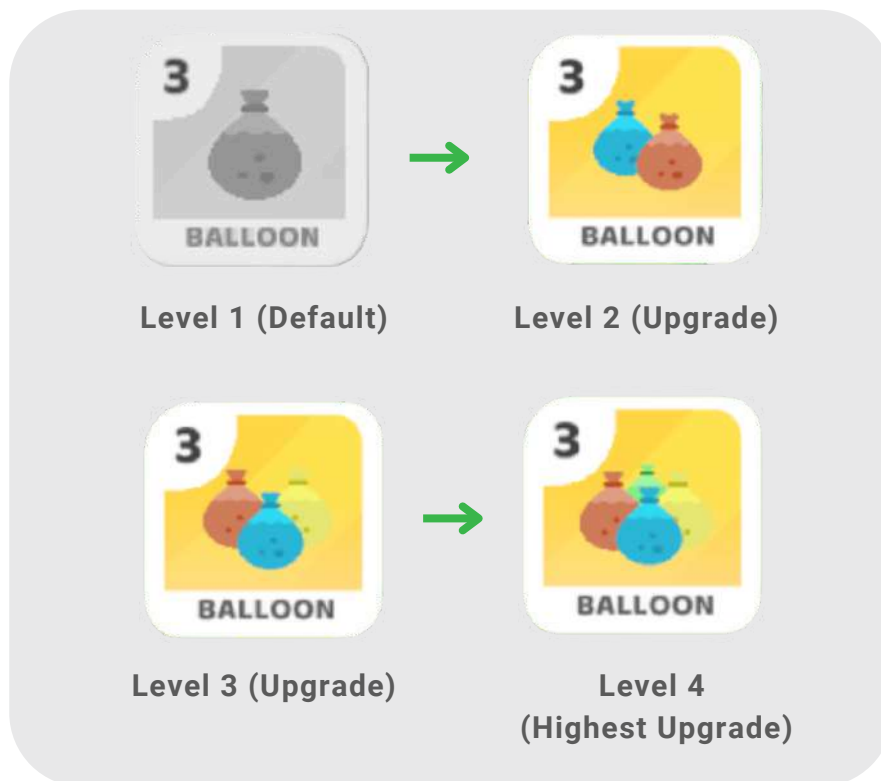

# Instructions

## D) Water Balloon Upgrade

Purchasing this item will **increase the damage of your water balloons**, making it **easier to eliminate wolves**.

- You can buy this item **up to three times**. Each purchase increases the the damage your water balloons inflict. The item's picture will change with each upgrade, reflecting the enhanced power of the water balloon.

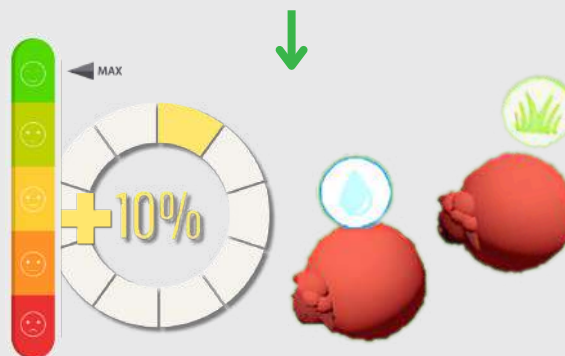

# Instructions

## E) King Sheep

This sheep adds **10 max health** to all sheep in the game and **reduces their hunger and thirst rate**.

Satisfied for Longer - Less Hunger/Thirst

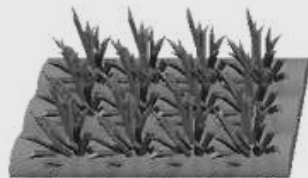

# Instructions

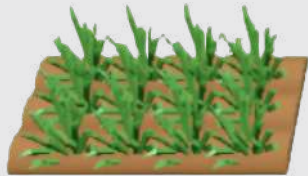

## F) Grass Upgrade

If you purchase this item, it will help the **grass last longer** when the sheep eat it.

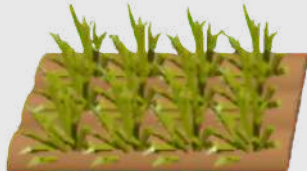

- You can upgrade it **up to two times**, with each upgrade further increasing its durability. The grass color will change with each upgrade, reflecting its improved quality.

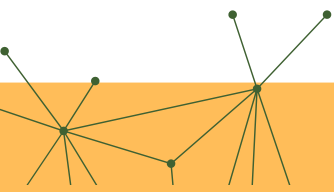

Level 1 (Default)

Level 2 (Upgrade)

Level 3  
(Highest Upgrade)

# Instructions
